Five Best Movie Cataloging Tools - Lifehacker
I have been collecting DVDs for many years, and I now have a wall full of them. The first time I bought a DVD that I had already bought, it became obvious to me that I needed to organize my collection better. So I thought about what I needed in a software package. My needs were relatively simple. The software should have the following ...

Guide To Cataloging Dvds - webmail.bajanusa.com
I have wanted to catalog my movies for a long time in case they got stolen but did not get around to it as all DVD cataloging software I could find, was shareware and costed money. Besides, I thought I had a good idea of what I had. Last year my fears came true, I had my entire collection of 400 DVD's taken from my house.
