If you want to find out how to drive a manual - check out our guide on how to drive an automatic car in this book!

The Most Complete Book on Defensive Driving: Safety Tips for Driving Rough Guides UK

A complete step-by-step guide that will teach you everything you need to know. In 2018 I created a company called Shift Bay Area. My goal

was to provide a fun and educational experience for people wanting to learn how to properly drive a manual transmission car, and since then we ' ve successfully instructed thousands of students and have grown to become Northern California ' s preferred stick shift driving school. Based on customer demand we decided to take our most popular behind-the-wheel stick shift driving lesson and expanded it into an eBook with over 150 illustrations to aid the written content. This eBook will cover high-level conceptual topics, 1st gear and clutch control, reverse gear, how to upshift to 2nd gear, proper upshifting and downshifting techniques in the higher gears, and we ' ll finish with hill control, where we ' ll learn about parking on hills and how to start from inclines. At the end of this eBook you ' ll have a complete overview of what ' s necessary to safely and properly operate a manual transmission car, and we ' ll build your confidence so that you can use the skills you learn in the real world. Happy Driving, Dennis Chernyukhin

So you want to drive stick...You've heard that driving stick gives you more control of your car in every situation, from a passing maneuver to descending a snowy hill. You've heard driving a stick shift car is more economical at the gas pump. You've heard it's more fun. But you've also heard it's hard to learn: there are gearshifts to master, your engine can stall, your car can roll backwards on a hill, and understanding the clutch is a nightmare. So, what if I told you using a clutch is no more difficult than using a bathroom faucet, or that your car's handbrake is a lot more than just a 'parking brake', or that I can teach you - in just one sentence - how to avoid ever stalling your engine? I've already taught thousands of

people how to drive stick - men and women of all ages - normal people, not engineering students or race car engineers. And I can teach you.
