Step 1 of 2. Networking gadgets Inc. has 8  
persons currently working there when  
company hires 10 more persons and  
centralized storage for project files and only  
authorized person can access the project  
files. In this situation user should not choose  
peer-to-peer network for networking

gadgets because peer-to-peer network is  
suitable only for small network consisting of  
minimum number of systems say 8-10  
systems and also centralized storage is not  
possible as files are scattered and stored ...
