The Articles of Confederation and Perpetual Union was the first constitution of the United States. After more than a year of consideration, it was submitted to the states for ratification in 1777, but not enough states approved it until 1781. The Articles provided for a weak executive branch, no national power of taxation, and voting by states.

Answer Guided Confederation The Constitution.pdf guided confederation and the constitution answer key guided confederation and the constitution answer key the continental congress adopted the articles of confederation, the first constitution of the united states, on november

15, 1777, but the states did not ratify them until march 1, 1781.

Guided Confederation The Constitution Answers The Articles of Confederation: America ' s First Constitution The Articles of Confederation provided loose confederation— “ firm league of friendship ” Thirteen independent states were thus linked together for joint action in dealing with common problems; a clumsy Congress was to be the chief agency of government; there was no executive branch and judicial arm was left almost exclusively to states

The Constitution fixed the weaknesses by allowing the central government certain powers/ rights. Constitution became the supreme law of the United States. Congress now has the right to levy taxes. Congress has the ability to regulate trade between states and other countries. Creation of a federal court system. Executive branch with power of checks and balance for legislature and judiciary. Amendments are easier by being ratified if 2/3 of congress and 3/4 of house pass it.
