Rambles Through Japan Without a Guide
Penguin

(written in collaboration with Motoko MJ Huysveld) Cross-cultural misunderstandings frequently appear in situations where Westerners interact with people from the Far East, in particular with the Japanese. As a Japan Business Consultant, I have witnessed many business cases, situations or events, where understanding the basics of Japanese business etiquette and Japan cross-cultural management would have helped a lot. This book, filled with concrete advice and illustrations of what to do and what not to do, aims at giving foreign business executives the necessary background and "toolkit" for succeeding in their "Japan cross-cultural adventure". The reader equipped with all the tools and tips I have developed in this book should definitely "perform better" when confronted with a Japanese prospect, potential business partner or "boss". Being well prepared for future Japan-related business opportunities is of the most importance now that an EPA in principle has been concluded between the EU and Japan!

The Ultimate Survival Guide for Business in Japan (couverture souple) Psychology Press

This book covers the main practical elements of doing business with the Japanese. It gives the reader sufficient background to understand and associate with the Japan of the 1980s as well as support him with the know-how for searching out and grasping the rich opportunities that lie ahead.

Appletons' Short-trip Guide to Europe [1868.] Gale, Cengage Learning

This Guide is produced on behalf of the European Science Foundation Asia Committee. The Guide provides a comprehensive survey of researchers, institutes, university departments, museums, organisations, and newsletters in the field of Asian Studies in Europe. The 352 page Guide is published by the International Institute for Asian Studies in co-

operation with Curzon. This is the first such guide ever published, and contains highly detailed current information including specialisation by subject and region for each entry. The Guide contains an alphabetical list of 5,000 European Asianists; 1,200 institutes and university departments; 300 museums, organisations, and newsletters.

An Official Guide to Eastern Asia, Trans-continental Connections Between Europe and Asia ... DIANE Publishing

In 1871 Japan sent a delegation to the USA and Europe. This book is an abridged report of this journey.

A Guide to the History of European Diplomacy Since 1862 Penguin

"Japanese investment in Europe has been growing by leaps and bounds and this book charts the course of this phenomenon, looking both at the Japanese experience of Europe and the European experience of the Japanese, and social, cultural and economic consequences of this encounter. This contemporary snap-shot is based upon a wealth of interviews and fully-illustrated by photographs, maps and diagrams. First published in 1996, this title is part of the Bloomsbury Academic Collections series."--Bloomsbury Publishing.

- World War II & Globalization ... and more!

An Official Guide to Eastern Asia: Southwestern Japan Lulu.com

Written by experts, this long-established and definitive guide to the workings of the European Union provides comprehensive, straightforward and readable coverage of this sometimes misunderstood and complex institution. It explains not only what happens but also why, and analyses the EU's strengths and weaknesses, as well as opportunities for it to be more effective. With the EU's very existence under pressure due to fiscal crises and the eurozone, migration and borders, and Euroscepticism, it specifically outlines:

- How it works: the institutions, the mechanisms
- Every area of EU competence from agriculture to workers' rights
- The effects of the single market and the single currency and the successes and stresses of the eurozone
- The impact of the enlargement of the EU and the prospects for further enlargement and for closer political integration
- The EU under strain - the 2008 recession and after 'Britain in or out'

Fully updated and revised material with new data, statistics, examples and non-partisan coverage

The Routledge Guide to the European Union is well-established as the clearest and most comprehensive guide to how the EU operates. This new edition brings you up to date at a crucial stage in its history at a time when, arguably, it has never been under greater threat, but conversely is perhaps more important than ever.

Information Market Guide (I'M Guide):

Commission of the European Communities
The Guide provides a comprehensive survey of researchers, institutes, university departments,

museums, organisations and newsletters in the field of Asian Studies in Europe.

Readers' Guide to Periodical Literature
