Construction and Evaluation (CE) ARE 5 Exam Guide (Architect Registration Exam): ARE 5.0 Overview, Exam Prep Tips, Guide, and Critical Content Courier Corporation

"In Guided Highlighted Reading, teachers of grades 4-12 learn an easy and effective text-based strategy that scaffolds all students to return to a complex or difficult text for four different reading purposes. This resource uses prompts—not questions—to build competency with difficult and complex text for four close-

reading purposes for any content area:

- Reading comprehension
- Author's craft
- Tier II vocabulary acquisition
- Answering multiple-choice questions on high-stakes assessments

Sample passages from ELA Appendix B of the Common Core State Standards are prepared for student use for all purposes, along with how-to directions, rubrics for assessing mastery of reading comprehension and author's craft, and an alignment of the four purposes to the CCSS.

Guided Highlighted Reading is a go-to resource for teachers to help students navigate complex

texts and meet the rigorous requirements of the CCSS."
