Guided reading

is an instructional approach that involves a teacher working with a small group of students who demonstrate similar reading behaviors and can read similar levels of texts. The text is easy enough for students to read with your skillful support; it offers challenges and opportunities for problem solving, but is easy enough for students to read with some fluency.

Guided Reading Activity 3.3. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

After the main activity (the reading), meet with each group to talk about how it went. During this chat, you can provide informal feedback and offer words of encouragement. This is a great time to also give them tips for success.

Consider using this time to let students ask questions and express their feelings about guided reading.
