stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment —and redemption. Special

anniversary edition bonus content includes: A New Note From the Author!; "Ten Things You May Not Know About HOLES" by Louis Sachar; and more!

*The Reading Minilessons Book* Evan Moor Educational Publishers  
Lesson planning in line with the new Primary National Curriculum! Why do we teach children to read? It is not merely to decode the words. We teach them to derive meaning from the text, to comprehend it. To not just read the lines, but to read between the lines and even read beyond the lines. So how can you make teaching comprehension in primary schools effective and engaging? How are you ensuring that children are finding meaning in what they read and how do we support more able readers to learn more? What does a good reading lesson look like? This book demonstrates the effective teaching of

---

reading through exemplar lessons. It discusses what makes them good lesson plans and how they can be adapted to suit different classes and different schools. In particular, this book helps you to meet the needs of more able readers particularly in years 5 and 6, outlining ways to challenge more able pupils to support them with the level 6 tests in Year 6. It helps you to cultivate your subject knowledge and invigorate your classroom teaching through focusing on what children need to learn and how to teach it. Reading Comprehension and Skills, Grade 3 Solution Tree Press

The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough.

---

It is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading, so that they grow up to become lifelong readers. The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention, and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues, to plays, stories and poems. They gradually increase in difficulty as you progress through the book, and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. Tasks range from simple factual recall and vocabulary work to more open-ended

questions enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast-fininishers.
