Raymond Briggs ' s funniest creation – theBoy Wonder of the Stone Age. This funny, sad, yet wonderfully life-affirming story is about a misunderstood boy genius who refuses to accept the limitations of the world in which he lives. Young Ug is upwardly mobile, always on the brink of finding a better way, a nicer way of getting through life. He discovers that the fire that comes out of the sky can make dead animal bits taste terrific, but his mother thinks this is a disgusting idea and, she adds, “ Terrific? What sort of word is that? Don ’ t you bring language like that into this cave! ” He invents the wheel but doesn ’ t know quite what to do with it. What he really wants is a pair of soft, warm trousers. But how many millions of years must he wait for them? Ug ’ s story is told in more than 100 colorful frames with speech balloons much like a graphic novel but for a younger audience. Witty footnotes explain some of the many hilarious anachronisms.

A Monster Surprise Andrews UK Limited

This enhanced eBook features read-along narration. A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.

Reading Comprehension 4th Grade Twinkl

The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough. It is vital that children understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading, so that they grow up to become lifelong readers. The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention, and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues, to plays, stories and poems. They gradually increase in difficulty as you progress through the book, and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. The passages are ideal for guided reading. Tasks range from simple factual recall and vocabulary work to more open-ended questions enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast-finishers.

#### The Bible Recap Skyhorse

Sharon can hardly believe the news. Di Di, her two-year-old brother, is being taken to China to spend a year with their grandparents. Why can't he go to day care or be watched by a babysitter when Mama goes back to work? Sharon wonders. But her parents say it is better for relatives to take care of little children. After Di Di first leaves, Sharon and her younger sister, Mary, pore over the photographs their grandma sends, trying to keep their little brother fresh in their minds. As the year passes, the girls become involved with school, friends, and hobbies. They think of Di Di less often. Then one day he is home again, and it feels as if a stranger has entered their lives. The children struggle to sort out their mixed emotions but soon discover that the bonds among siblings hold strong.
