From the publishing house that brought you the Who Was? books comes the next big series to make history approachable, engaging, and funny! The Thrifty Guide to Ancient Rome contains information vital to

the sensible time traveler: • Where can I find a decent hotel room in ancient Rome for under five sesterces a day? Is horse parking included? • What do I do if I ' m attacked by barbarians? • What are my legal options if I ' m fed to the lions at the Colosseum? All this is answered and more. There is handy advice on finding the best picnicking spots to watch Julius Caesar ' s assassination at the Roman Forum in 44 BC, as well as helpful real estate tips to profit from the great Roman fire of AD 64. There are even useful recommendations on which famous historical figures to meet for lunch, and a few nifty pointers on how to avoid being poisoned, beheaded, or torn apart by an angry mob. If you had a

time travel machine and could take a vacation anywhere in history, this is the only guidebook you would need!

Collapse and Recovery of the Roman Empire presents a study of third century Rome, which is lavishly illustrated and a lucid read, typical of Michael Grant's inimitable style. In Collapse and Recovery of the Roman Empire, Michael Grant asserts that the fact that the Roman empire of the third century AD did not collapse is one of the miracles of history. He argues that at that time the empire seemed ripe for disintegration and expresses amazement that it continued, in the west, for another two hundred years, and in the east, for far longer. Michael Grant

examines the reasons for collapse, including analyses of the succession of emperors, the Germans and the Persians and also, the reasons for its remarkable recovery, including discussions of strong emperors, a reconstituted army, finance and coinage and state religion.

From the Roman Empire to the Roman Catholic Church, the city has forged the destinies of countries from around the world for many centuries. Between the splendours of the modern and ancient worlds there are the small backstreets and wide piazzas humming with the

hustle and bustle of everyday Roman life small, local trattorias sit beside the chicest and smartest of international restaurants. From the majesty of the Colosseum to the magical frescoes of the Sistine Chapel, Rome oozes history, style and sophistication. However, whilst Rome's cultural splendours are well-documented, surprisingly little is really known of the top bars, restaurants, clubs and cafes. The question of where to go once the museums shut is now answered with Hg2 Rome. We delve into the Rome of the Romans,

majority do support radical beliefs. For example, beheadings, stoning for adultery or homosexuality, suicide bombings, turning the world into an Islamic state, and far too many other heinous things. THE GUIDE TO ANSWERING ISLAM provides Christians with an overview of Islamic terminology. The reader will learn about Muhammad's calling, the history of the Quran, how Islam expanded, the death of Muhammad and the splinter groups that followed. In addition, the three sources of their teaching, six pillars of belief, five pillars of Islam, the twelfth Imam, and much more will be discussed. While there are several books on Islam and radical Islam, this will be the first that will prepare its readers to communicate effectively with Muslims in an effort toward sharing biblical truths. THE GUIDE TO ISLAM will be an effective evangelism tool. In addition, each chapter will end with review questions, helping the reader recall the main points of the chapter. Therefore, it can be studied alone or in a church Bible study setting. THE GUIDE TO ANSWERING ISLAM has the contents constructed in a way that will greatly

serve the Christian Church. There are many recent books written by Christians about Islam, and there are many books written recently about radical Islam. However, none of these recent books attempts to do what has been done, which is to give an adequate portrayal of Islam, critiqued by history and Christian doctrine, and then culminating in an extensive evaluation of the rise of Radical Islam from a Christian's perspective.
