Probation Violations in North Carolina Guilford Press

Social researchers increasingly find themselves looking beyond conventional methods to address complex research questions. This is the first book to comprehensively examine emergent qualitative and quantitative theories and methods across the social and behavioral sciences. Providing scholars and students with a way to retool their research choices, the volume presents cutting-edge approaches to data collection, analysis, and representation. Leading researchers describe alternative uses of traditional quantitative and qualitative tools; innovative hybrid or mixed methods; and new techniques facilitated by technological advances. Consistently formatted chapters explore the strengths and limitations of each method for studying different types of research questions and offer practical, in-depth examples.

Your Defiant Teen Guilford Press

Highly readable and comprehensive, this volume explores the significance of friendship for social, emotional, and cognitive development from early childhood through adolescence. The authors trace how friendships change as children age and what specific functions these relationships play in promoting adjustment and well-being. Compelling topics include the effects of individual differences on friendship quality, how friendship quality can be assessed, and ways in which certain friendships may promote negative outcomes.

Examining what clinicians, educators, and parents can do to help children

who struggle with making friends, the book reviews available interventions and identifies important directions for future work in the field.

Fallen Angels Guilford Press

Current research increasingly highlights the role of early literacy in young children's development--and informs practices and policies that promote success among diverse learners. The Handbook of Early Literacy Research presents cutting-edge knowledge on all aspects of literacy learning in the early years. Volume 2 provides additional perspectives on important topics covered in Volume 1 and addresses critical new topics: the transition to school, the teacher-child relationship, sociodramatic play, vocabulary development, neuroimaging work, Vygotskian theory, findings from international studies, and more.

Chase's Calendar of Events 2013 Guilford Press

This comprehensive handbook reviews the major theoretical, methodological, and instructional advances that have occurred in the field of learning disabilities over the last 20 years. With contributions from leading researchers, the volume synthesizes a vast body of knowledge on the nature of learning disabilities, their relationship to basic psychological and brain processes, and how students with these difficulties can best be identified and treated. Findings are reviewed on ways to support student performance in specific skill areas--including language arts, math, science, and social studies--as well as general principles of effective instruction that cut across academic domains.

Creating Robust Vocabulary Guilford Publications

Many schools have implemented academic response to intervention (RTI) and schoolwide positive behavioral interventions and supports (PBIS) as separate initiatives. This book provides keys to making these programs more effective, seamless, efficient, and sustainable by combining them into a single multi-tiered system of support (MTSS). Steps and strategies are outlined for integrating data structures, practices, teams, and district systems. Contributing authors present detailed case examples of successful MTSS implementation in three states. In a large-size format, the book features 27 reproducible checklists and evaluation tools. Purchasers get access to a companion website where they can download and print the reproducible materials plus other helpful resources. This book is in The Guilford Practical Intervention in the Schools Series, edited by Sandra M. Chafouleas.

Handbook of Early Literacy Research, Volume 3 Guilford Press

Fallen Angels by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and

is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the Vietcong, the harsh realities of war, and some dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, *Fallen Angels* has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, *Fallen Angels* "reaches deep into the minds of soldiers" and makes "readers feel they are there, deep in the heart of war." *Fallen Angels* has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. *Fallen Angels* was #16 on the American Library Association's list of the most frequently challenged books of 1990–2000 for its realistic depiction of war and those who fight in wars.
