This book is for mature audiences. Reader discretion is advised. In 1979 NYC, Crime and urban flight are at their peak. Rocky II has hit the silver screen. The Knacks' 'My Sherona' and Donna Summer's 'Bad Girls' are burning up the music charts and blasting in every disco on a Saturday night. Murder also dances to a timely final heartbeat. Human demise and carnage are running rampant, many last breaths taken beneath the concrete surface, hidden from the naked eye. The nasty truth lies in an underworld of vengeance, greed, and evil. Angelo Ferrari is an unrepentant, heartless man who lives his life in the shadows. As a gun for hire who has followed in his father's twisted footsteps, he has left a bloody trail of bodies in his wake. Since taking his first life at age fourteen, he has been holding a gun in one hand, a knife in the other, and hatred in his heart. He's so good at being wicked, he's never been caught red-handed. After years of grooming and experience, he is the newest

Seraph of Mortality - the executioner. One fateful evening, however, things change...Andrea Ellison is an herbalist, palm reader, and Sensitive. She's also the wrong woman to cross. this eBook in Amazon's downloadable Cloud Reader (read.amazon.com) on a PC or laptop to select and send the free classics to their Kindle. iPad users must use the Cloud Reader from "Manage Your Kindle" to use the download links, see "From The Author" below. Amazon Prime members are welcome to use their free monthly borrow to get this list and download hundreds of the free classics for future reading. This linked list of over 350 free science fiction stories and novels in Amazon's permanent collection was recently updated with hundreds of works from famous science fiction writers who wrote in the 1950's and 1960's and apparently forgot to extend their copyright protection. For the more recent authors SciFi fans will be familiar with, I just list the links (arranged by author) that will take you to their titles in the Kindle store for free download. For the earlier writers, I usually include a one or two line summary of their books. I thought I read all the classic SciFi twenty years ago, but I found a couple dozen authors I'd never heard of while researching Amazon's free collection. Most of the titles in this linked list of the free classic science fiction on Amazon were written before the "Golden Age" of science fiction, but influenced the authors who came later. I've included several early utopia/dystopia books, a popular subject in the late Victorian period. A few supernatural titles are included when the author also wrote other types of books. I didn't include fairy tales, and I made judgment calls on skipping science fiction/fantasy that was written for children and young adults, or just included a few samples from those authors.

"I owe you one." I didn't realize when I said that to my Navy SEAL buddy he'd actually collect on the debt. Or that it could cost me my life. I'm Brent Hearst, for God's sake. A member of the one percent. As in old family money. Yet somehow I'm standing here, smiling while there's a gun strapped to my leg ruining the line of my Italian suit. But my real issue isn't with that gun. Oh, no. It's my other weapon I can't control when I'm around the sexy-as-sin brunette who might or might not be a spy. It seems I don't care which while I've got her against the wall with my hand fisted in her hair. Oh, and while I figure out if I've been sleeping with the enemy, I've also got to keep us both from being killed by a couple of gun-toting Russians. No problem. Billionaire for Hire is a full-length standalone contemporary romance, the first in the For Hire series by New York Times and USA Today bestselling author Cat Johnson. It is a loose spinoff from Cat Johnson's Hot SEALs series, with cameo appearances from favorite characters.

A collectors item from the anti-colonial struggles of the seventies. This text details how the US military and CIA colluded with Solider of Fortune magazine and others to send white mercenaries to fight for the Ian Smith regime in Rhodesia. While the nitty gritty details are mainly of historical significance, given the heavy reliance on "contractors" in Iraq and elsewhere, the broad outlines of this work remain relevant today. Originally published in the 1970s, this new introduction has an introduction written in 2005. From the introduction by Jon Dough: "Although the CIA's mercenary operation for Zimbabwe had failed in the end, the machinery remains as a covert weapon that can be restarted and put to use in new imperialist interventions and wars in the Global South. That's why this investigative report still has useful knowledge for everyone tracking the bloody footprints of the u.s. empire."

According to the Merriam-Webster Dictionary, a marksman is someone skilled at shooting at a mark or target. This is a book for hand-gunners who want to be marksmen. What You Will Learn By the end of the book, you should be able to hit bullseyes consistently (80 to 90 percent of the time) from a respectable distance. Along the way, you will learn to: Choose and use a target for marksmanship training. Assess mechanical accuracy of your gun and ammo. Set a good training goal, based on gun, ammo, and shooter skill. Identify the grip and stance that work best for you. Properly align sights to hit your intended target. Translate dry-fire practice to improved performance on the range. Measure shooting accuracy and precision objectively. Diagnose flaws in technique, based on bullet-hole patterns. Test corrective strategies to solve performance problems. Topics are covered in clear, aw-shucks language. Step-by-step instruction makes

it easy to grasp material quickly. Key points are reinforced with practical exercises. And free online training aids are available at the book's website: handgunmarksmanship.com. Why This Book? There is nothing hard about developing handgun marksmanship skills. But there are a few moving parts. This book focuses on the most important parts, so you can quickly acquire the skills you need to hit the bullseye (almost) every time. Note: This is a Kindle Matchbook title. When you buy the paperback edition of this book, you also get the Kindle edition at no extra charge.

Tyres! I've been through shit in my life, both literally and figuratively, but as the VP of the Inferno's Clutch MC, I signed up for it. The one person who didn't sign up for it is my darling little girl, Wren. It's just her, me, and the club. For a kid her age, she's been through it too, especially considering she was kidnapped not too long ago. Finding out about her made me change a lot. I'm no longer the reckless S.O.B. who'd pull out his gun without even thinking. Now I'm calculating, knowing at the end of the day I have to get back home to her. But hell, being a single dad isn't easy. I get as much help from the club as I can, but sometimes it's just too much. Tiny recommends I get some help, 'cause Wren can't keep sleeping in my bed at the club, so I tell her I'll think about it. Never did I anticipate the woman would take it upon herself to hire a nanny for me, and she's a vision. I know I'm asking for trouble . . . but I don't give a flying fuck.

From USA Today Bestselling author Sybil Bartel, the page-turning, heart-stopping, bestselling Alpha Bodyguard Series is now available in a series of boxsets! Former Special Forces Military Operatives come together in this series of Alpha Bodyguards who will stop at nothing to save the women they've sworn to protect. Come meet the dominant, protective Alpha heroes who work for Luna & Associates! THE ALPHA BODYGUARDS BOOKS 1-3 features SCANDALOUS, MERCILESS and RECKLESS! SCANDALOUS: Bodyguard. Babysitter. Chauffeur. Not what I thought I'd be doing with my life. Especially not for a spoiled Hollywood actress on location in Miami Beach. But triple pay and carrying a gun had its advantages. The Marines trained me to be Force Recon—this assignment

should've been easy money. Except the doe-eyed starlet with the perfect smile leaked the ultimate scandal. Now she was going to find out how scandalous a bodyguard could be. MERCILESS: Bodyguard. Mercenary. Gun for hire. The Marines trained me to shoot, but civilian life taught me to aim. If you paid me for a job, you got results. The only thing I didn't do was attachments, on any level. Until a smoking-hot former one-night stand crossed my path, holding a kid who was my spitting image. She said she didn't remember me, right before she turned and ran. Now she was going to find out how merciless a bodyguard could be. RECKLESS: Bodyguard. Escort. Bad boy. Coming from the wrong side of the tracks, the only advantage I had was looks and being a Marine. I wasn't active duty anymore, but my smile was still getting me in trouble. I just didn't realize how much trouble until a gorgeous brunette asked for a favor—me, my gun, and an art opening. Except she failed to mention one crucial detail . . . pretend to be her fiancé. Now she was going to find out how reckless a bodyguard could be. The Alpha Bodyguard Series - Where Alpha Heroes come out to play.
