Since the late twentieth century, letters in literature have seen a remarkable renaissance. The prominence of letters in recent fiction is due in part to the rediscovery, by contemporary writers, of letters as an effective tool for rendering aspects of historicity, liminality, marginalization and the expression of subjectivity vis- à -vis an ' other ' ; it is also due, however, to the artistically challenging inclusion of the new electronic media of communication into fiction. While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns, this volume charts the epistolary renaissance in recent literature, entering new territory by also focusing on the aesthetic implications of the epistolary mode. In particular, the essays in this volume illuminate the potential of the epistolary (including digital forms) for rendering contemporary sensitivities. The volume thus offers a comprehensive assessment of letter narratives in contemporary literature. Through its focus on the aesthetic and structural aspects of new epistolary fiction, the inclusion of various narrative forms, and the consideration of both conventional letters and their new digital kindred, The Epistolary Renaissance offers novel insight into a multi-faceted (re)new(ed) genre.

Can techniques traditionally thought to be outside the scope of literature, including word processing, databasing, identity ciphering, and intensive programming, inspire the reinvention of writing? The Internet and the digital environment present writers with new challenges and opportunities to reconceive creativity, authorship, and their relationship to language. Confronted with an unprecedented amount of texts and language, writers have the opportunity to move beyond the creation of new texts and manage, parse, appropriate, and reconstruct those that already exist. In addition to explaining his concept of uncreative writing, which is also the name of his popular course at the University of Pennsylvania, Goldsmith reads the work of writers who have taken up this challenge. Examining a wide range of texts and techniques, including the use of Google searches to create poetry, the appropriation of courtroom testimony, and the possibility of robo-poetics, Goldsmith joins this recent work to practices that date back to the early twentieth century. Writers and artists such as Walter Benjamin, Gertrude Stein, James Joyce, and Andy Warhol embodied an ethos in which the construction or conception of a text was just as important as the resultant text itself. By extending this tradition into the digital realm, uncreative writing offers new ways of thinking about identity and the making of meaning.

An Inventory of Losses Simon and Schuster
When Miss Norma was diagnosed with uterine cancer, she was advised to undergo surgery, radiation, and chemotherapy. But instead of confining herself to a hospital bed for what could be her last stay, Miss Norma—newly widowed after nearly seven decades of marriage—rose to her full height of five feet and told the doctor, “I’m ninety years old. I’m hitting the road.” And so Miss Norma took off on an unforgettable around-the-country journey in a thirty-six-foot motor home with her retired son Tim, his wife Ramie, and their dog Ringo. As this once timid woman says “yes” to living in the face of death, she tries regional foods for the first time, reaches for the clouds in a hot air balloon, and mounts up for a horseback ride. With each passing mile (and one educational visit to a cannabis dispensary), Miss Norma’s health improves and conversations that had once been taboo begin to unfold. Norma, Tim, and Ramie bond in ways they had never done before, and their definitions of home, family, and friendship expand. Stop by stop, state by state, they meet countless people from all walks of life—strangers who become fast friends and

welcome them with kindness and open hearts. Infused with this irrepressible nonagenarian’s wisdom, courage, and generous spirit, Driving Miss Norma is the charming, infectiously joyous chronicle of their experiences on the road. It portrays a transformative journey of living life on your own terms that shows us it is never too late to begin an adventure, inspire hope, or become a trailblazer.

Studienarbeit aus dem Jahr 2019 im Fachbereich Germanistik - Komparatistik, Vergleichende Literaturwissenschaft, Note: 2,3, Gottfried Wilhelm Leibniz Universität Hannover (Philosophische Fakultät), Veranstaltung: Schreiben Sie mir: Briefseminar, Sprache: Deutsch, Abstract: Um den Einfluss des Facebook-Messengers auf „Vor der Zunahme der Zeichen“ von Senthuran Varatharajah als Roman zu klären, ist eine genaue Analyse des Formats und der Sprache des Romans vorzunehmen. Darüber hinaus können Vergleiche zu Briefromanen sowie neueren, aus modernen Kommunikationsmitteln inspirierten Romanen wie „Gut gegen Nordwind“ von Daniel Glattauer, Anhaltspunkte über mögliche Ähnlichkeiten und eine daraus resultierende Einschätzung liefern. Das einundzwanzigste Jahrhundert hat einige revolutionäre technische Neuerungen hervorgebracht. Darunter fallen die Erfindung des Smartphones, die Weiterentwicklung des Computers und auch die Einführung neuer digitaler Kommunikationsmittel, die durch diese neue Hardware ermöglicht wird. Eines der heute am meist genutzten neuen Kommunikationsformen ist das sogenannte „Instant Messaging“. Es ist seit den späten 1990er-Jahren insbesondere unter Teenagern populär. Inzwischen haben die Instant Messaging-Dienste auch Einzug in moderne Literatur erhalten. In E-Mail-Romanen wie „Gut gegen Nordwind“ von Daniel Glattauer bilden diese neuen Kommunikationsmittel einen elementaren Bestandteil. Senthuran Varatharajahs 2016 erschienener Roman „Vor der Zunahme der Zeichen“ führt den E-Mail-Roman im Format der Sofortnachricht weiter. Den Rahmen für „Vor der Zunahme der Zeichen“ liefert dabei der Messenger des US-Amerikanischen Internetkonzerns Facebook. Durch die individuelle Formatierung des Romans erhält der Leser wie in einem Tagebuch eine minutengenaue Übersicht über den Sendungsverlauf der Nachrichten. Darüber hinaus gibt es keinen übergeordneten Erzähler. Die Dialogform des Facebook-Messengers (FM) erinnert durch die synchrone Abfolge der Nachrichten zusätzlich an die dialogische Erzählweise von Dramen, jedoch ohne weitere Elemente dieser Literaturform aufzugreifen. Die größte Ähnlichkeit hat diese Form des Romans mit dem Briefroman und seiner Weiterentwicklung, dem E-Mail-Roman.

Seminar paper del año 2018 en eltema Alemán - Literatura, Obras, Nota: 10, Universidad de Sevilla, Materia: 4, Idioma: Español, Resumen: En este trabajo me dispongo a analizar la obra "Gut gegen Nordwind" del autor austriaco Daniel Glattauer centrándome principalmente en el tema de la soledad, tal vez el más importante en la obra del autor. Aunque en un principio había pensado en analizar varios de sus textos, finalmente, y sólo por cuestiones de espacio, me he decidido por profundizar únicamente en su primera novela, "Gut gegen Nordwind", por considerar esta obra tal vez la más representativa del pensamiento del autor para el tema elegido. En mi trabajo intentaré estudiar los diferentes tipos de soledades que pueden observarse en los principales personajes de "Gut gegen Nordwind", para lo cual, y siguiendo los consejos de mi directora, he decidido recurrir a la psicología y apoyarme en la teoría del apego de Bowlby, que explicaré brevemente en mi capítulo dos, para describir el modo de relación existente entre personajes, esencial para descubrir su forma de soledad, y también utilizaré las ideas de V. Vivero, que igualmente explicaré más adelante.

Ist das noch ein Brief? Moderne Formen des Nachrichtenaustausches im Roman Penguin Books
I always thought you'd know, somehow, if something terrible was going to happen. I thought you'd sense it, like when the air goes damp and heavy before a storm and you know you'd better hide yourself away somewhere safe until it all blows over. But it turns out it's not like that at all. There's no scary music playing in the background like in films. No warning signs. Not even a lonely magpie. One for sorrow, Mum used to say. Quick, look for another. The world can tip at any moment ... a fact that fifteen-year-old Pearl is all too aware of when her mum dies after giving birth to her baby sister. Told across the year following her mother's death, Pearl's story is full of bittersweet humour and heartbreaking honesty about how you deal with grief that cuts you to the bone, as she tries not only to come to terms with losing her mum, but also the fact that her sister - The Rat - is a constant reminder of why her mum is no longer around... From the author of How Not to Disappear comes a stunning novel about love and loss, and how to carry on when your whole world is turned upside down. Praise for The Year of the Rat: 'Beautifully written with a dry sense of humour.' "When a young married couple hire a middle-aged widow during the wife, Nora's, difficult pregnancy, they don't realize the dominating force she will become in their small family. Signora A--maid, nanny, and confidante--becomes the glue in their household, and over time, the steady and loving presence whose benign influence allows them to negotiate the complexities of married life. But the delicate fabric of the young family comes undone when Signora A is diagnosed with lung cancer. After she becomes too sick to work, both husband and wife feel the strain of her absence. Moving seamlessly between the past and present, Giordano weaves together the layers of Signora A's devotion and sacrifice--from her early experiences of love during a tragically short marriage, to her adoration of her new surrogate family. Highlighting the joy of youth and the fleeting nature of time with remarkable precision and lyricism, Paolo Giordano gives us a meditation on life, death, and the relationships we build in between. Like Family is not a simple love story; it's a story about love in its many forms, and how a capacity for love can give meaning to any existence, no matter how ordinary."--

It’s a hair-raising job, though, made more so by the tendency of the other EMTs to place bets on how many red lights they can run. Even worse, Brenner’s new employer has a problem: its major competitor is somehow listening in on radio communications and beating his unit to every pickup. Knowing his past on the force, Brenner’s boss asks him to act like a cop and investigate. Meanwhile, is it Brenner’s paranoia or are certain wealthy elderly patients who are essentially healthy dying more quickly than they should? It isn’t long before Brenner’s life is in real danger, and once again it will take a certain amount of booze, pills, and bad behavior for our man to survive being a cop one more time.
