The Secret Journey BookRix
Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own,

and their meeting results in a friendship that has devastating consequences.

When the Carolina Cold Fury ' s hottest young star gets blindsided by an ex with a scandalous secret, it ' s game on. " One of the best voices in contemporary romance. " —New York Times bestselling author Lauren Layne
Marek Fabritis is used to delivering blows, not receiving them. But when he gets tipped off by an anonymous email about his ex-girlfriend, the news leaves him ice cold—and it ' s not because Gracen Moore is getting married to a total jerk. It ' s the fact that Marek has a three-year-old daughter he never knew about. Now he ' s going back home, not to play knight in shining armor but to make damn sure that no man takes what ' s his. For the first time, there might be something more important than hockey. Gracen Moore has always loved Marek. That ' s why she let him go, so he could pursue a career in the NHL. And that ' s why she never told him about Lilly. Only now does Gracen realize that she made an

unforgivable mistake. But is that any reason for Marek to crash her wedding and make an epic scene? If the spark that still smolders between them is to be trusted, maybe. Still, Gracen ' s not getting her hopes up. Because she knows better than anyone that appearances aren ' t always what they seem. . . . Praise for Marek
" Another five-star read from Sawyer Bennett! A second-chance roller coaster of emotions. I was cheering for Marek from page one. Loved it. " —USA Today bestselling author Sidney Halston

dragons, Bastian leads by
example and expects his
warriors to follow

Dragonkind's code. Honor is
everything, duty no option, but
when both dictate he be the
first to take a mate and sire a
son, Bastian falters. For the
woman given into his care is
most the extraordinary he's
ever met and even as she steals
his heart, he knows birthing his
child will take her life.

Leopard's Fury Booktango

To sustain her family, Mrs.
Fury buries herself in debt
At the top of the hill on the
north side of town, Mrs.
Ragner rules over her
kingdom. A bitter old loan
shark, she has a grip on
all the families in this port
city, and she squeezes
each one for every last
cent. For seven years,
Mrs. Fury has borrowed
money from Mrs. Ragner
to send her son Peter to
seminary. He never joined
the priesthood, but the
debt still stands. When

she is unable to pay back
her loan, Mrs. Ragner is
happy to extend more
credit. But every time they
revisit their agreement, the
interest rate rises and Mrs.
Ragner's stranglehold on
the Furys tightens. While
his mother struggles to
pay back her debts, Peter
tries to find his way in the
secular world. He is
deeply in love with his
older brother's wife, and
his passion threatens to
upend the family. The
Furys think they have
sacrificed everything for
Peter, but they are not
done yet. The Secret
Journey is the second
book of James Hanley's
acclaimed Furys Saga.

girl with an explosive
secret whose hiding
place has just been
discovered... Eighteen-
year-old Trinity may be
going blind, but she can
see and communicate
with ghosts and spirits.

Her gift is the reason she 's been in hiding for years in a compound guarded by Wardens—shape-shifters who protect humankind from demons. If the demons discover the truth about Trinity, they ' ll devour her to enhance their powers. When Wardens from another clan arrive with reports that something is killing both demons and Wardens, Trinity ' s world implodes. Not the least because one of the outsiders is the most annoying and fascinating person she ' s ever met. Zayne has secrets of his own—but working together becomes imperative once demons breach the compound and Trinity ' s secret comes to light. To save her family and maybe the world, she ' ll have to trust Zayne. But all bets are off as a supernatural war is unleashed... The Harbinger Series: Storm and Fury Rage and Ruin Grace and Glory Can ' t get enough of Zayne? Yval has been living to save other shifters from the clutches of the fey. She has had her body modified to make her job easier, but the magic used cut her off from her beast. Fatigued and frustrated, she is ordered to take two months off, and it is suggested that she take the time at the Crossroads. Drorik is a fey with a mission to save the future of his people and family by taking a shifter bride. The woman he meets is full of attitude and is bristling with defensiveness, but there is something inside her that calls to him, and her curves are sending their own message.

The Cyclopædia of Temperance and Prohibition Harlequin "The ice is a cold mistress. As the league's most eligible goalie, Max Fournier has access to his fair share of willing puck bunnies, but right now he's more interested in bringing home another championship than a one-night stand. A romantic at heart, Max believes in love; he's just not great at relationships. So when he finally meets a nice girl who's not blinded

by his celebrity, he's feeling the heat--and the pressure to save her from herself. Between working two jobs and raising her sister's kids, Julianne Bradley doesn't have time for sports--or men. All she knows about Max is that he's the sexiest customer to ever grace her gas-station counter. And he sees past her tired eyes and makes Jules yearn for things she can't have: a glamorous fling, a passionate lover, and the time to enjoy both. Max makes her feel like Cinderella, even though Jules has enough baggage to crush a glass slipper. Luckily, he's no prince--only a fierce competitor determined to win her heart"--Page 4 of cover. North American Veterinarian David Fickling Books

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr. Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister

figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

Fighting alongside the Corellian rebels, Han and Leia are locked in a war against their son Jacen, who grows more powerful and more dangerous with each passing day. Nothing can stop Jacen 's determination to bring peace with a glorious Galactic Alliance victory – whatever the price. While Luke grieves the loss of his beloved wife and deals with his guilt over killing the wrong person in retaliation, Jaina, Jag, and Zekk hunt for the real assassin, unaware that the culprit commands Sith powers that can cloud their minds and misdirect their attacks – and even turn them back on themselves. As Luke and Ben Skywalker struggle to find their place among the chaos, Jacen, shunned by friends and family, launches an invasion to rescue the only person still loyal to him. But with the battle raging on, and the galaxy growing more turbulent and riotous, there 's no question that it is Jacen who is most wanted: dead or alive. Features a bonus section following the novel that includes a

primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

The Cyclopaedia of Temperance and Prohibition Open Road Media

A collection of American culinary history including cookbooks, menus and ephemera from the 16th through to the 21st century. Through this culinary archive researchers can explore changing attitudes towards diet and health, homemaking, commercial dining and the industrialisation of food production. The material has been collected over many years by Jan Longone, an adjunct curator in the University of Michigan Special Collections Research Center, and her husband University of Michigan Emeritus Professor Daniel T. Longone.

Harlequin

A rollicking, rip-roaring double-dose of action and adventure from the world of the Hollywood Vampires! Starring Clarisse, Brandi, Donita, and Katheryne, Love, Red Wine, & Magick's two novellas take you down south, back in the 1960's -- when men were men, women kicked ass, and horrible things lurked

in the dark hearts of ancient swamps! In "The Ballad of Thomas Brown," a mysterious traveling bluesman by the name of Tom Brown comes to Seward County, Mississippi and is menaced by the town's local -- and dangerous -- racist idiot, Mort. Out to steal 'ol Tom Brown's hard-earned pay, Mort and his gang are foiled time and again by the resourceful guitarist... But when the sun goes down, the dark secret of Mort's questionable lineage comes to the forefront -- along with a healthy dose of frustrated rage -- and turns a figurative monster into a real one! Fortunately for 'ol Tom has a few angels on his shoulder in the form of the Sisters of Fury -- an all-female, all-vampire biker gang who've stopped in Seward to listen to some good old country blues. With the likes of sultry, clever Clarisse and relentless powerhouse Brandi on his side, 'ol Tom's odds are a lot better than they were before... Or are they? Meanwhile, over in "Linda Marie," Jimbeau Getty's one true gal Linda Marie has been mentally hijacked by a sly necromancer and the disembodied spirit of HIS one true gal, leaving poor old Jimbeau in a bad way. Thankfully, Jimbeau's got some formidable friends in the form of half-vampires Donita and Katheryne -- a

gypsy and witch duo who are best friends, lovers, and extremely loyal to their pals. With gentle Katheryne and loudmouth Donita in tow, Jimbeau plunges into the dark depths of an eldritch Louisiana swamp in search of Linda Marie -- while the necromancer and his lady love are out to open a gateway to another dimension and turn loose a monstrous horror from beyond the veil of time... A horror that could spell the end of everything. But Jimbeau and the girls don't know that yet. They just want to get Linda Marie back -- and find themselves battling hordes of zombies and a gigantic abomination made from hundreds of human corpses! And then... When the true stakes of the game are revealed, it's a cataclysmic showdown of cosmic proportions as the fate of the world rests in the hands of a belligerent gypsy and her air-sick companion! Hold on tight, folks -- it's gonna be a bumpy ride. Love, Red Wine, & Magick disposes of the usual angst and drama found in vampire fiction for a hard-hitting, hilarious, and totally human perspective, bringing you thrills, chills, spills... and laughs aplenty! Fortress of Fury Del Rey Was the boy a half-brother or a son? Whatever he happened to be Seaton Domberger could not reject him as

his own flesh and blood. Still more: he loved him and got along with him finely. All the same, he was in doubt as to the biological origin of this progeny in spite of DNA parental testing and other no less convincing proofs. What ailed him so much in this respect was that Joseph Barne, his own father, whom he had never seen, had raped, or tried to rape, the young woman who gave birth to the boy. She, on that account, used to say that she was not sure whether the child was the son of her older or younger lover. Such declarations did not fail to inflict pain on the latter but did not prevent him from becoming her legitimate husband. Seaton Domberger never succeeded in meeting his father to settle accounts with him and make him pay dear for the harm this dishonest man had done to his mother whom he held in great affection. On the other hand he could not help loving the son of his wife, who might well be his, and consequently he cooperated with him for years on end.

Jane's not happy. She's been packed off to England to fight in a war when she'd much rather be snogging Anyan. Unfortunately, Jane's enemies have been busy stirring up some major trouble -- the kind that attracts a lot of attention. In other words, they're not making it easy for Jane to get any alone time with the barghest, or to indulge in her penchant for stinky cheese. Praying she can pull off a Joan of Arc without the whole martyrdom thing, Jane must lead Alfar and halflings alike in a desperate battle to combat an ancient evil. Catapulted into the role of Most Unlikely Hero Ever, Jane also has to fight her own insecurities as well as the doubts of those who don't think she can live up to her new role as Champion. Along the way, Jane learns that some heroes are born. Some are made. And some are bribed with promises of food and sex.

Marek Small Beer Press
A ruthless criminal

unleashes his most feral desires in this Leopard novel from the #1 New York Times bestselling author Christine Feehan. With her own bakery in San Antonio, Evangeline Tregre made a new life far from the brutal lair of shifters she was born into. Though she is all too aware of her leopard-shifter blood, she never felt the sensation of a wild animal stirring inside her. Not until Alonzo Massi walked into her bakery. The powerful shifter is as irresistible as he is terrifying, but his icy demeanor tells her to keep her distance. Alonzo knows better than to let himself get involved with someone like Evangeline. She doesn't deserve the type of danger that follows him, or the threat of his Amur leopard. But even with his lean muscle and iron will, Alonzo isn't strong enough to stay away from the one woman who can make him feel at peace. And when their secret lives draw a mortal threat, Alonzo unleashes the feral passion he keeps pent up inside himself.

The Boy in the Striped Pajamas
Photon Radiation Therapy for Skin Malignancies is a vital resource for dermatologists interested in radiation therapy, including the physics and biology behind treatment of skin cancers, as well as useful and pragmatic formulas and

algorithms for evaluating and treating them. Dermatology has always been a field that overlaps multiple medical specialties and this book is no exception, with its focus on both dermatologists and radiation oncologists. It is estimated that between 2010 and 2020, the demand for radiation therapy will exceed the number of radiation oncologists practicing in the U.S. tenfold, which could profoundly affect the ability to provide patients with sufficient access to treatment. Photon Radiation Therapy for Skin Malignancies enhances the knowledge of dermatologists and radiation oncologists and presents them with the most up-to-date information regarding detection, delineation and depth determination of skin cancers, and appropriate biopsy techniques. In addition, the book also addresses radiation therapy of the skin and the skin's reactions to radiation therapy.

Half a Dose of Fury
Meet Megaera, Meg for short. She's like Deadpool, except for funner. For a girl with the power of fear the recruitment attempts from both sides are never-ending. A self-described not-a-hero, villain-leaning humanoid, Meg just wants to live her life, work her dead-end job and have everyone else (especially the heroes) leave her alone. But when a bigger fish who can turn superpowers back on their users enters the picture and threatens the person Meg loves the most (herself), she must turn to the last group of people she would admit she needs help from. Forced to team up with the heroes she despises (but won't murder, because let's face it,

orange is not the new black), Meg will have to face the choices from her past that she won't get therapy for. Self-centered, snarky, sarcastic and a little bit dramatic, she's going to have to save the world, even if that wasn't her intention. And try not to get shot in the process. Because that shit hurts.
