Penetration Testing Vs. Ethical Hacking - Tutorialspoint

There are many ways to learn ethical hacking and pen testing, whether it's through online tutorials, YouTube videos, courses, books, podcasts, etc., but we all know that nothing beats a practical approach. For ethical hackers and penetration testers it can be hard to test their skills legally so having websites that are designed to be vulnerable and provide a safe environment to test hacking ...

Hacking Basic Security, Penetration Testing and How to ...

Penetration testing is very closely related to ethical hacking, so these two terms are often used interchangeably. However there is a thin line of difference between these two terms. This chapter provides insights into some basic concepts and fundamental differences between penetration testing and ethical hacking.
