While the rest of the immortals cavort, she grows restless in the shadow of Olympos. Rules, rules. Always the rules. Her mother's edict forbids her the company of any male god. She can't speak to them, can't look at them. Can't even attend the Olympian feasts. As far as Demeter knows, her daughter remains a maiden. But Persephone leads a double life. She finds her affection elsewhere, and in plentiful supply. If only the sons of Man made her happy. If only she could put a name to this need she feels. It grows by the day, dark and unfulfilled. An eternity of enforced loneliness looms, and Persephone contemplates a drastic choice to escape it. Only one thing stands in her way. Hades. Where earthquakes rend hill and vale asunder, and the abyss yawns to devour falling screams, the black halls of the Underworld await. The Lord of the Dead follows only one set of rules: his own.
