*Homer's Hymn to Ceres* First Second Books

What does it mean to affirm that Jesus "descended into hell?" What actually happened to Jesus between Good Friday and Easter? Was this "descent" part of his suffering or part of his triumph? And why does it matter today? With a theologian's research, a pastor's heart and a poet's sensibility, Gerrit Dawson explores the answers given through the centuries to these questions. By using a narrative approach, Dawson achieves a unique synthesis of previously competing views. He shows that the ancient idea of the harrowing of hell, the Reformed view of "hell on the cross" and the 20th century recognition of the darkness of Holy Saturday can all work together. Far from being a discardable doctrine, the descent offers a unique window on the person and work of Christ, one we urgently need to open for the worship and mission of the Church today.

*Hades* Macmillan

This first volume of Bernard Evslin's award-winning series introduces the monsters, demons, gods, and heroes of Greek mythology Athena, wise and powerful daughter of Zeus, is the most feared of all the goddesses. Poseidon, the "earth shaker," rules the sea with his thunderous wrath. Each wants to control Olympus absolutely. Obsessed with destroying Poseidon, Athena summons her crows by day and owls by night to spy on his vast water realm. The long-simmering feud spawns a multitude of monsters, the most terrifying of which is the brass-headed colossus Amycus. This classic work features a sprawling cast of gods and mortals waging battle on land and by sea, from Zeus to the Titan god Prometheus, from Hades, who guards the gates of hell, to Circe, immortal weaver of spells, to the great war chief Ulysses, who sails in search of his long-lost home. Monsters of Greek Mythology brings to life fearsome creatures like giant, flame-spitting wingless dragons, a spider named Arachne, goats and swordfish endowed with magical properties, and the Cyclopes—one-eyed male and female goliaths even more powerful than the Titans.

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great

moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.
