Amazing Spider-Man Vol. 1 Mixx Entertainment Incorporated

When the children of Archer's Peak begin to go missing, everything seems hopeless. The few children that return alive have terrible stories—impossible details of terrifying creatures that live in the shadows. Their only hope is the arrival of a mysterious stranger, one who believes the children and claims to be the only adult who sees what they can see. Her name is Erica Slaughter. She kills monsters. That is all she does, and she bears the cost because it must be done. GLAAD Award-winning writer James Tynion IV (*The Woods*, *Batman: Detective Comics*) teams with artist Werther Dell'Edera (*Briggs Land*) for a haunting series about staring into the abyss... and what happens when the abyss stares back. Collects issues #1-5.

The Twilight Saga: The Complete Film Archive Bentang Belia

After a disastrous defeat at the 2018 World Cup, Japan's team struggles to regroup. But what's missing? An absolute Ace Striker, who can guide them to the win. The Japan Football Union is hell-bent on creating a striker who hungers for goals and thirsts for victory, and who can be the decisive instrument in turning around a losing match...and to do so, they've gathered 300 of Japan's best and brightest youth players. Who will emerge to lead the team...and will they be able to out-muscle and out-ego everyone who stands in their way?

Eva has always wanted to experience life in Japan. But upon her arrival there to pursue a master's degree, she soon finds that it's not entirely like what she'd gleaned from reading manga and watching anime. From dirty dorms and Japanese bureaucracy to natural disasters and hay fever-inducing pollen, Eva's stay in Japan was no walk in the cherry blossom park. She was also there during the 3/11 earthquake, among the worst quakes in recent history. In this follow-up to "Eva, Kopi and Matcha", follow Eva's footsteps as she experiences some of the best and not-quite-the-best Japan has to offer during her postgraduate adventure. Her accounts in "Eva Goes Solo" – humorous, sometimes harrowing and informative – show that her fondness for all things Japanese has not waned, despite everything. Comes with a 20-page travel guide to Japan at the back of the book.

Chinese Made Easy adopts a new approach to teaching Chinese as a second or foreign language. It is designed for young students taking GCSE/IGCSE/A-Level Mandarin Chinese Exams (UK), SAT II / AP-Chinese Examinations (USA), IB Chinese Exam, Australian Chinese exams, HSK (Mainland China), or for those students who are starting to learn Chinese on their own. Chinese Made Easy has two levels: level 1-Book 1, 2 and 3; and level 2-Book 4 and 5. After completing this series, learners will acquire a vocabulary of approximately 1,700 Chinese characters and several thousand phrases. This course features task-based learning coupled with a focus on form and function. Textbooks are in full color and it includes both simplified and traditional Chinese characters in its vocabulary lists.

Chinese Made Easy HarperCollins

For half a century, Michael Jackson's music has been an indelible part of our cultural consciousness. Landmark albums such as *Off the Wall* and *Thriller* shattered records, broke racial barriers, amassed awards, and set a new standard for popular music. While his songs continue to be played in nearly every corner of the world, however, they have rarely been given serious critical attention. The first book dedicated solely to exploring his creative work, *Man in the Music* guides us through an unparalleled analysis of Jackson's recordings, album by album, from his trailblazing work with Quincy Jones to his later collaborations with Teddy Riley, Jimmy Jam, Terry Lewis, and Rodney Jerkins. Drawing on rare archival material and on dozens of original interviews with the collaborators, engineers, producers, and songwriters who helped bring the artist's music into the world, Jackson expert and acclaimed cultural critic Joseph Vogel reveals the inspirations, demos, studio sessions, technological advances, setbacks and breakthroughs, failures and triumphs, that gave rise to an immortal body of work.

Miracle Girls Vintage

This volume brings together research carried out in a variety of geographic and linguistic contexts including Africa, Asia, Australia, Canada, the Caribbean, Europe and the United States and explores efforts to incorporate linguistic diversity into education and to 'harness' this diversity for learners' benefit. It challenges the largely anachronistic ideology that promotes exclusive use of an educational monolingual standard variety and advocates the use in formal education of aboriginal/indigenous languages, minority languages, nonstandard varieties and contact languages.
The contributors examine both historical and current practices for including linguistic diversity in education by considering specific bidialectal, bilingual and multilingual educational initiatives. The different geographical and linguistic settings covered in the volume are linked together by a unifying theme: linguistic diversity exists all over the world, but it is very rarely utilized effectively for the benefit of students. When it is used, whether in isolated studies or through governmental initiatives, the research findings point systematically to the many educational advantages experienced by linguistically-diverse students. This book will be of interest to teachers and language practitioners, as well as to students and scholars of language and education.

Happiness Is Homemade is a charmingly illustrated book, especially made to prevent us from stressing over this crowded digital world that often plagues us. A blogger, illustrator, and doodle artist-Puty Puar-shares her simplest yet deepest thought about life. What is happiness? Where do we find it? She tried to picture it; that happiness isn't a matter of size; big or small, near or far, alone or together. The book offers a bunch of inspirations and some sources of happiness: - Giving a sincere comment and accepting one - Unexpectedly finding money forgotten inside your pocket - Getting home on time, just before the rain started - Deleting messages you thought you'll never let go Eventually, happiness is indeed inside our heart. And home is wherever our heart is, and happiness is homemade. You may take pictures of this book and share to the others if you want to. Do tag @byputy and @hihomemade on Instagram!
