An illustrated A-to-Z guide to amps from the award-winning author of *Guitar Encyclopedia!* This book is for fans of guitar amplifiers and the history that lies behind them. Starting with early amp models like the Gibson EH-150 that was first used with Gibson's EH-150 lap-steel guitar and later the Charlie Christian ES-150 guitar, it then delves into the development of Fender, Vox, and Orange amps, and goes right up to the modern boutique designers like Industrial, Dr. Z, Fargen, and Fuchs. Also featured are such tube amp classics as the Seymour Duncan Convertible head, ahead of its time in offering tube-switching before THD Amps existed. Other amp designers profiled include: Carvin \* Danelectro/Silvertone \* Engel \* Epiphone \* Line 6 \* MESA/Boogie \* Pignose \* Paul Reed Smith \* Premier \* Roland \* Seymour Duncan \* and many, many more! Emmy Award-winning guitarist, composer, and producer Brian Tarquin takes on the unique subject matter of the electric guitar's sidekick and partner-in-crime to create this informative and enthralling reference guide. Interviews with various amp makers as well as players, and a foreword by Michael Molenda of *Guitar Player* magazine, all bring you closer to those glowing tubes and tones. *Guitar Amplifier Encyclopedia* provides an expansive education on all the best amps' every nuance, and how they each changed the history of sound.

A new shifter romance series from New York Times & USA Today Bestselling author Cristina Rayne \*Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really

happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. This book was previously published in 2013 under the same title. While the text and cover have been updated, the story remains the same. It's been five years since a woman came between Ethan Barstow and his brother, Charley, and it's high time they buried the hatchet. When Ethan travels to Arizona Territory to make amends, he learns that Charley has abruptly disappeared after breaking more than one heart in town. And an indignant fiancée is hot on his trail. When Charley Barstow abandons a local girl after getting her pregnant, Kate Kinsella pursues him without a second thought. She's determined he set things right, and even more determined to end her own engagement to him, a sham from the beginning. But an ill-timed encounter with a group of ruffians lands her in the company of Charley's brother, Ethan, who suggests they search together. As Ethan and Kate move deeper INTO THE LAND OF SHADOWS, family tensions and past tragedies threaten to destroy a love neither of them expected. A sensuous historical western romance set in 1893 Arizona Territory. Into The Land Of Shadows is a stand-alone, full-length novel. 2014 Carolyn Readers' Choice Award Finalist "Kristy McCaffrey brings us a story with heart and spirit, characters that live, and an understanding of the place and people that far surpasses a traditional romance..." ~ Marcy Waldenville, author of *Tears of the Damned* "... a must read ... a story that is engaging and edge-of-the-seat gripping. [McCaffrey's] vivid descriptions and great cast of characters, with exceptional dialogue, bring this story to life." ~ *Coffee Time Romance & More* "...a haunting story with suspense, passion, and excellent character building." ~ *Romance Reviews Today* "With a vividly painted background, engaging and compelling characters and pages that just fly by, *Into The Land Of Shadows* is a superb read for any western or historical romance lover." ~ *Romance Junkies* "The author's descriptions of the Arizona desert and the Indians who inhabit it are beautiful. There is a limiting belief around in vitro fertilization (IVF) that must be reframed: the idea that it is only a technical, difficult, painful and artificial process. IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the transfer of a single frozen embryo that enabled the arrival of her second son, Benício. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization.
