Herapath's Railway Magazine, Commercial Journal, and Scientific Review

This book, first published in 1954, collects together the papers presented to the Sixth International Congress on Accounting. They focus on the problems of the post-war changes in the value of money, and how to deal with this in accounting statements; taxation, and the role of accountants in Government; raising and retaining capital for development; and the role of the professional accountant in the commercial field.

Allen's Indian mail and register of intelligence for British and foreign India

Includes the Council's votes and proceedings, proclamations, bills, acts, etc.
