She ’ s in a white dress that dances around her ankles, and her hair tumbles in a long sheet of curls down her back. A veil covers her beautiful eyes, and she smiles directly at him. Janie is everything Rafe ’ s ever imagined she would be on her wedding day. Breathtaking. Gorgeous. Perfect. The moment he sees her walking down the aisle towards him, he knows that she ’ s the one. Then she passes him, making her way to the man she ’ s to marry. A man that wasn ’ t him. A man that he knows with one hundred percent certainty isn ’ t good enough for her. It seems that her father isn ’ t the only one who ’ s having a hard time giving her away. Rafe only wishes he knew why. Everything about Janie sparks protective instincts he doesn ’ t feel for anyone, not even his fiancé . What he feels for the bride, however, isn ’ t merely a simple attraction. He knows that something is there just beneath the surface...if only he could reach it. It has to be something huge, too, otherwise he wouldn ’ t be drinking whiskey straight from the flask in a church pew and wondering how many years he would do in prison if he shot the groom in front of about a hundred witnesses—half of those being cops. He was good...but not that good. A near-death experience cost Rafe almost six months of his memory, but right now he can ’ t help but feel like a huge mistake is being made on both of their parts. One that ’ s going to cost him everything. Then she says I do. Author note: I, Lani Lynn Vale, solemnly swear that there is NO CHEATING in this book...but looks are deceiving. So hang with me. They include: Detailed Case Studies Expanded Skill Drills Advice and encouragement from veteran facility brigade leaders Dixie Wardens, Inc.

Visit www.heinemann.com/ReadingNonfiction for special previews, videos, and more. "When students recognize that nonfiction ought to challenge us, ought to slow us down and make us think, then they're more likely to become close readers." That means we need to help them question texts, authors, and, ultimately, their own thinking. No matter the content area, with Reading Nonfiction's classroom-tested suggestions, you'll lead kids toward skillful and responsible disciplinary literacy. Picking up where their smash hit Notice & Note left off, Kylene Beers and Bob Probst write: "Fiction invites us into the writer's imagined world; nonfiction intrudes into ours and purports to tell us something about it." This crucial difference increases the responsibility of the nonfiction reader, so Kylene and Bob have developed interlocking scaffolds that every student can use to go beyond a superficial reading: 3 essential questions that set students up for closer, more attentive readings of nonfiction texts 5 Notice & Note nonfiction signposts that cue kids to apply the skills and processes that sophisticated readers use instinctively 7 proven strategies readers can use to clear up confusions when the text gets tough. We all know the value of helping students define nonfiction and understand its text structures. Reading Nonfiction goes the next crucial step-helping kids challenge the claims of nonfiction authors, be challenged by them, and skillfully and rigorously make up their mind about purported truths.

The care of stroke patients has changed dramatically. As well as improvements in the emergency care of the condition, there have been marked

advances in our understanding, management and rehabilitation of residual deficits. This book is about the care of stroke patients, focusing on behavioural and cognitive problems. It provides a comprehensive review of the field covering the diagnostic value of these conditions, in the acute and later phases, their requirements in terms of treatment and management and the likelihood and significance of long-term disability. This book will appeal to all clinicians involved in the care of stroke patients, as well as to neuropsychologists, other rehabilitation therapists and research scientists investigating the underlying neuroscience.

Lights To My Siren Dixie Wardens, Inc.

Dennis Lehane meets Megan Miranda in this “dark beauty of a novel” (William Kent Krueger, New York Times bestselling author) about the first female sheriff in rural Bad Axe County, Wisconsin, as she searches for a missing girl, battles local drug dealers, and seeks the truth about the death of her parents twenty years ago—all as a winter storm rages in her embattled community. Fifteen years ago, Heidi White’s parents were shot to death on their Bad Axe County farm. The police declared it a murder-suicide and closed the case. But that night, Heidi found the one clue she knew could lead to the truth—if only the investigators would listen. Now Heidi White is Heidi Kick, wife of local baseball legend Harley Kick and mother of three small children. She’s also the interim sheriff in Bad Axe. Half the county wants Heidi elected but the other half will do anything to keep her out of law enforcement. And as a deadly ice storm makes it way to Bad Axe, tensions rise and long-buried secrets climb to the surface. As freezing rain washes out roads and rivers flood their banks, Heidi finds herself on the trail of a missing teenaged girl. Clues lead her down twisted paths to backwoods stag parties, derelict dairy farms, and the local salvage yard—where the body of a different teenage girl has been carefully hidden for a decade. As the storm rages on, Heidi realizes that someone is planting clues for her to find, leading her to some unpleasant truths that point to the local baseball team and a legendary game her husband pitched years ago. With a murder to solve, a missing girl to save, and a monster to bring to justice, Heidi is on the cusp of shaking her community to its core—and finding out what really happened the night her parents died. With “striking prose, engaging characters, and a searing story of crimes rooted in the heartland,” Bad Axe County is a “darkly irresistible thriller” (Kirkus Reviews, starred review) that you won’t be able to put down.

Too Bad, So Sad Balzer + Bray

In July 1863 New York City experienced widespread rioting unparalleled in the history of the nation. Here for the first time is a scholarly analysis of the Draft Riots, dealing with motives and with the reasons for the recurring civil disorders in nineteenth-century New York: the appalling living conditions, the corruption of the civic government, and the geographical and economic factors that led up to the social upheaval.

Nightmares Sterling and Ruthie have more things in common than they realize, even though from the outside it doesn't seem like they do. Blood Sterling is a decorated war hero. Ruthie is an ex-con. Their two worlds should've never collided, but fate has a way of turning life in the direction least expected. Now Ruthie has to try to come to terms with the fact that she's in love with a biker who's also a decorated Navy SEAL. One who leaves for months at a time with little to no advance warning, taking her heart with him each time he goes. Pain Sterling has a lot of things to overcome in order to have Ruthie, the biggest being her mind. She doesn't think she's good enough. He thinks she's perfect. Now it's up to him to show her just how right he can be.

A Sporting Nation will appeal equally to the serious sports enthusiast and mainstream reader. Its main text comprises excerpts from the Library's oral history recordings, with additional features by Olympian Marlene Mathews, and Eric Rolls and Marion Halligan.Twenty-six richly illustrated features present a broad and popular sweep through the nation's sporting culture, opening with a recollection of the 1956 Melbourne Olympics and a survey of the Sydney 2000 Games by Marlene Mathews.

Hold On Chicago Review Press

Hoax knows two things very well. One, he’s not relationship material. Two, the nurse that treats him for erectile dysfunction is the most beautiful thing he’s ever seen, and practically has ‘the marrying type’ stamped on her forehead. Does that stop him from wanting her? No. Unfortunately, he learned a long time ago that Army Delta Force and long-lasting relationships don’t go hand in hand. But beautiful hazel eyes, curly blonde hair, and the prettiest lips he’s ever seen play havoc with his resolve, making him forget his earlier convictions. All it takes is one teeny, tiny kiss for every shred of control he has to disappear, along with the problem in his pants. Soon he finds himself doing things that he knows that he shouldn’t. He doesn’t know that he’s found the woman that’s meant to be his. Nor does he realize that her father is the man he’s idolized from the moment he joined the army at the age of eighteen. Because, maybe if he had, he would’ve tried a little harder to ignore the pull he felt between them instead of making her his the night before he deployed for six months. He also might’ve tried a little harder not to knock her up.

Mess Me Up Dixie Wardens, Inc.

Her I wanted him, but couldn't find the courage to have him. You know that feeling, the one where you're too scared to go to sleep, too scared to go out, and too scared to do anything? Ever since my assault, I've been functioning, but not living. That was until I met that motorcycle riding man with such a deep gravelly voice that it sent shivers down my spine. He helped me through some of the darkest moments of my life. Him She was a cock tease pure and simple. Or so I thought. What I believed to be a game on her part, turned out to be a bone deep fear of everyday life. We helped each other cope, and slowly our friendship turned into something more. Them Circumstances broke the two of us apart just as we decided we wanted to be together. A vengeful woman sets out to ruin Max and anything he holds dear in his life. Payton has gone through so much in her life that enduring one more thing just might break her. Only Max taught Payton a few things. Never hold back. Never hesitate. Do something stupid, and always learn from your mistakes. Together, they can overcome anything.

You’re The Lights... Sebastian had one rule. No women on the back of his bike. Period. The one time he broke that rule, he killed the woman that was carrying his child. Then comes Baylee Roberts. She makes Sebastian want to break every single rule he’d ever implemented. Hell, but she even makes

him consider that dreaded H word. A helmet. To My... Baylee Roberts innocently walked into her bathroom never expecting that she’d find a man in there. It is her bathroom after all, and she lives alone. From the instant he placed his hat on her head to protect her from the sun, Baylee’s mind becomes filled with thoughts of a certain biker. She really shouldn't go there. There’s no telling what kind of dangerous things he does for The Dixie Wardens MC. Siren... Nothing is ever as easy as it should be. Their relationship’s one of them. Baylee’s brother is a cop. Baylee’s father is a cop. Which inevitably means that Baylee’s going to have certain hang-ups about being with a man like himself. Sebastian has a lot on his plate with his busy job as a firefighter, a single father, and the vice president of The Dixie Wardens MC. Not enough, though, to keep him away from Baylee. When a series of arsons rattle their hometown and puts Sebastian’s life on the line, Baylee finally realizes the only fire Sebastian can’t put out is the one inside her heart.

Quit Your Pitchin' University Press of Kentucky

Her She's the definition of lost. Doesn't know her name? Check. Cruelly beaten within an inch of her life? Check. No memory of anything that's happened since she woke up from that beating? Check. Losing a child she doesn't remember conceiving? Check. She hasn't felt anything but lost in a very long time. Then an old biker tells her danger is on the horizon. He sends her to a man that she instantly feels a connection with. A bone deep connection. Him He's the definition of despair. After the death of his young wife while on a tour of duty in Afghanistan, he hasn't seen the appeal of participating in the world around him. He's lost the only thing he ever loved. He's been a shell of the man he once was. His only escape from reality is feeling the wind in his hair, going as fast as he can get his old Harley to take him. That's the only time he can push his demons back far enough to feel peace. That is until she screams his name.

Through the Fire Heinemann Educational Books

Since she was young, Cher Rivers knew she was not the kind of girl who got what she wanted. A girl who could hope. A girl who could dream. She knew a happily ever after just wasn't in the cards for her. In love for years with the last bastion of the 'burg's eligible bachelors, Garrett Merrick, Cher worked hard at making him laugh. Being one of the guys. Having him in her life the only way she could. All this knowing he was in love with another woman. The Merrick Family is known for loving deep. So when Cecelia Merrick was murdered, it marked the Merricks in a way none of them recovered. Both Cecelia's children found love. Both turned their backs on it. But Garrett "Merry" Merrick knew in his soul the woman he divorced years ago was the one for him. Until the night when Cher took Garrett's back and things changed. The Merrick family loves deep. They also protect fiercely. And with his eyes finally open, Garrett sees the woman who truly is for him and he goes after her.

The Fortunes of Hector O'Halloran and His Man, Mark Antony O'Toole Dixie Wardens, Inc.

Winnie thinks she has the perfect life. Two beautiful, healthy children. A police officer husband. A job that she loves. Oh, and let's not forget that she's a nationally ranked marathon runner. Fast forward six months, and her perfect life has imploded. Winnie finds herself in a completely new world, and this new world is a brutal bitch. In this new life of hers, her husband is gone. He realizes, at the worst possible time, that he's no longer in love with her. He's in love with her best friend. He leaves, and doesn't look back. Her sixteen-year-old daughter is in trouble with the law, and she's barely making ends meet thanks to losing the job that was keeping her and her tiny family afloat. Then, the last thing that could make it all bearable, her running, is ripped out from under her, too. Thanks to a spinal stroke that leaves her unable to walk, let alone run, she's having to relearn how to do the simplest of tasks-such as putting on her own pants. She's at the lowest of lows, and the last thing she wants is a sexy, bearded, motorcycle riding alpha to tell her how to live her life. But Steel Cross never asks her what she wants. *** The moment Steel Cross sees Winnie's daughter steal some shoes for her younger brother, he knows he's in trouble. He's a sucker for misunderstood teens. After all, he was once one himself. He knows he can't just walk away, and the moment he sees that troubled teen's mother, he doesn't just know it, he feels it. Down to the very bottom of his soul. With his share of hard knocks, he knows that he shouldn't step in and make his move on a fellow police officer's ex. There's a code, after all, yet he just can't seem to help himself. He's done being the good guy. Sometimes he just wants to be bad. And Winnie makes him realize that being bad is still kind of good. As long as you're with the right person.

The Soul in Our Hearts Dorrance Publishing

“Provides real world insight to those that have experienced the life-threatening event of an airplane crash” (Les Abend, Boeing 777 captain and CNN Aviation Analyst). Being strapped in the seat of a plane as it plunges into a nosedive midair is everyone’s worst nightmare. The two women who compiled Bracing for Impact know. They have both lived out that fear and survived, albeit badly hurt, in their own plane crashes. In this collection of true-life survivor tales, people from all walks of life—a freelance writer, a crew member of the Lynyrd Skynyrd band, a naval flight surgeon, a teenager, and a newlywed on her honeymoon, among others—recount their traumatic narrow escapes as engines stalled, fuel ran out, hazardous weather conditions descended, and landings did not go according to plan. In the face of death, as life flashed before their eyes—or not, as some wryly note—these survivors encountered the terrific split of before and after the crash. Their lives, though preserved, would change forever. In heart-wrenching, unrelenting honesty, these stories explore the wide spectrum of impacts on survivors—ranging from debilitating fear, post-traumatic stress disorder, and substance abuse, to a renewed sense of urgency, where survivors swear to live each day to the fullest and rededicate their lives to helping others. Bracing for Impact is as much a horrific account of air disasters as it is a celebration and recognition of the people who survived them. “I found the survivor’s perspective fascinating . . . The book is valuable reading for both pilots and passengers.” —Flying

Kinda Don't Care Kristen Ashley

Policy analysis in Canada brings together original contributions from many of the field’s leading scholars. Contributors chronicle the evolution of policy analysis in Canada over the past 50 years and reflect on its application in both governmental and non-governmental settings. As part of the International Library of Policy Analysis series, the book enables cross-national comparison of public policy analysis concepts and practice within national and sub-national governments, media, NGOs and other institutional settings. Informed by the latest scholarship on policy analysis, the volume is a valuable resource for academics and students of policy studies, public management, political science and comparative policy studies.

The Forgotten War Harper Collins

Young firefighters were forced to become hardened veterans almost overnight when serving in New York City during the politically charged decades of the 1960's and 1970's. The day-to-day dangers we firefighters endured together produced the highest degree of bonding that one can imagine. As "family," we shared the love, and laughter, as well as the tears of each other's personal tragedies. This book also tells how we, as firefighters, shared in the anguish felt by the innocent victims and their families. Fighting accidental fires was a tough enough job, but the embattled firefighters of our city's ghettos had to put up with the politically motivated burnings of buildings on the campuses of some of New York City's most prestigious colleges and universities in the name of civil disobedience. Add to that the rapid expansion of the drug culture, the sexual revolution, the Vietnam War protests, and race riots, and you have a pretty good idea of what the New York City Fire Department was up against. "All I can say is Wow! I love reading and I usually go in for the lighter reads, but a friend recommended this book. It held my attention from beginning to end. I will not spoil it for others, you have to read this. It will make you cry and laugh! It will certainly give you a greater appreciation for firemen all over the country. The author of this book obviously loved his job as a firefighter, and his writing seems to come right from his heart. Thank God for all you firefighters out there." - Thomas R. Allocca from Naperville, Illinois USA (January 15th, 2004).

Photoshop for Lightroom Users Xlibris Corporation

The side-splittingly funny Newbery Honor Book about a rebellious boy who is sent to a home-schooling program run by one family—the creative, kooky, loud, and loving Applewhites! Jake Semple is notorious. Rumor has it he managed to get kicked out of every school in Rhode Island, and actually burned the last one down to the ground. Only one place will take him now, and that's a home school run by the Applewhites, a chaotic and hilarious family of artists: poet Lucille, theater director Randolph, dancer Cordelia, and dreamy Destiny. The only one who doesn't fit the Applewhite mold is E.D.—a smart, sensible girl who immediately clashes with the defiant Jake. Jake thinks surviving this new school will be a breeze . . . but is he really as tough or as bad as he seems?
