100 Halloween Writing Prompts Story Paper Notebooks
From the bestselling author of The Book of Awesome, You Are Awesome, and the award-winning, multimillion-hit blog 1000 Awesome Things comes even more of the little things that make us smile every day! Neil Pasricha is back with a collection of hundreds more awesome things from the website, as well as never-before-seen extraordinary moments that deserve celebration:

- Letting go of the gas pump perfectly so you end on a round number
- When a baby falls asleep on you
- When your pet notices you ’ re in a bad mood and comes to see you
- Pulling a weed and getting all the roots with it
- When your windshield wipers match the beat of the song you ’ re listening to
- When the hiccups stop
- The smooth feeling on your teeth when you get your braces off
- Driving from a rough road onto a smooth one
- When the person you ’ re meeting is even later than you are
- That guy who helps you parallel park There ’ s even space for you to write your very own Awesome Things in the back. Because couldn ’ t we all use (even more) awesome?

Click or Search Weezag for more fun products! Surprise your loved ones. Add to cart, Buy Now! Half College Ruled / Half Blank Paper Book Half and half paper (dual designs) allows you to get creative There are lots of reasons someone may want mixed paper styles on one sheet Adults may like to plot designs, craft projects or solve engineering problems and write accompanying notes or draw sketches Kids may like to solve a math problem and describe how they solved it (or even write a story about the problem!) The blank and lined papers can also be used as story paper for writing practice College rule (also known as medium ruled paper) is the most common lined paper in use in the United States It is generally used in middle school

through to college and is also popular with adults The horizontal spacing is 9/32" or 7.1mm This is a good choice for teen or adult notebooks and composition books (known as exercise books outside the US). Page Count: 100 Dimensions: 7.50" x 9.25" (19.05cm x 23.50cm)

Write Like This
Why you need a writing revolution in your classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Handwriting Practice Paper Primary Composition Notebook

In Write Like This: Teaching Real World Writing Through Modeling and Mentor Texts, author and teacher Kelly Gallagher recognizes that writing well starts with teaching students WHY they should write. He believes we need to move beyond the state standards by introducing young writers to real-world discourses and provide them with authentic texts to influence and develop life-long skills. Each chapter focuses on a specific writing purpose: Express and Reflect: View life experiences in reverse to move forward Inform and Explain: State a point and purpose with information to support it Evaluate and Judge: Focus' on the worth of an object, idea, or person and present' it as 'bad or 'good Inquire and Explore: Propose' a problem or question Analyze and Interpret: Examine phenomena that are difficult to understand or explain Take a Stand/Propose a Solution: Persuade audience to particular position and provide' justification' ' In teaching these lessons, Gallagher provides mentor texts (professional samples as well as models he has written in front of his students), student writing samples, and numerous assignments and strategies proven to elevate student writing. By helping teachers bring effective modeling practices into their classrooms, Write Like This enables students to become better adolescent writers. More important, the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world. '
