Halo: Cryptum (Forerunner Saga, #1) (Halo, #8) by Greg Bear

The Forerunner Saga is a trilogy of science fiction novels by Greg Bear, based on the Halo series of video games. The books in the series are Halo: Cryptum, Primordium, and Silentium. The books were released in hardcover, e-book, paperback, and audiobook. Bear was given little restriction on the story of the novel; the Halo universe had not yet been explored in that time period. Cryptum received mixed reviews; some critics liked the Forerunner culture and suspense that Bear created, but others d
