You do not need a copy of the current ARRL General Class License Manual. All of the

---

questions that may be in the exam are contained in this syllabus. It is suggested you obtain a recent copy of the ARRL Handbook which will serve as a useful as a reference to help understand the technical areas covered in this syllabus and for Ham Radio in general.

ARRL's third edition of the Ham Radio License Manual is designed for the aspiring ham radio operator. The material is very clear and readable, even the math sections. Even though you could simply memorize the questions from the FCC test bank, you'll be missing out on a great amount of information that's useful to the new ham operator.
