Set on a pineapple plantation in up-country Maui, the Hali'imaile General Store has lured travelers for over a decade with its down-home, island-style cooking. Critics and diners rave about chef Beverly Gannon's rustic, hearty fare, and the restaurant is a fixture on "Best of Maui" lists. THE HALI'IMAILE GENERAL STORE COOKBOOK enables readers to bring the

spirit of Maui and its landmark restaurant into their own kitchen with over 100 recipes, accompanied by Beverly's warm, chatty narrative. For all those locals and out-of-towners who've begged Beverly for recipes over the years, she has this to say: "Well, folks, here's the book! And I hope every single copy gets food-stained, dog-eared, and, most of all, enjoyed."

Engineering News Oxford University Press, USA

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an

idea.

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he

channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times."—The Dallas Morning News "An astonishing testament to the superhuman power of

tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta*

In 2007 English Heritage commissioned initial research into links with transatlantic slavery or its abolition amongst families who owned properties now in its care. This was part of the commitment by English Heritage to commemorate the bicentenary of the abolition of the British transatlantic slave trade with work that would make a real difference to our understanding of the historic environment in the longer term. The research findings and those of other scholars and heritage practitioners were presented at the 'Slavery and the British Country House' conference which brought together academics,

heritage professionals, country house owners and community researchers from across Britain to explore how country houses might be reconsidered in the light of their slavery linkages and how such links have been and might be presented to visitors. Since then the conference papers have been updated and reworked into a cutting edge volume which represents the most current and comprehensive consideration of slavery and the British country house as yet undertaken.

Cincinnati Magazine

NEW YORK TIMES BESTSELLER From Gabrielle

Hamilton, bestselling author of Blood, Bones & Butter,

comes her eagerly anticipated cookbook debut filled with

signature recipes from her celebrated New York City

restaurant Prune. NAMED ONE OF THE BEST BOOKS OF

THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF

THE BEST BOOKS OF THE SEASON BY Time • O: The

Oprah Magazine • Bon Appétit • Eater A self-trained cook

turned James Beard Award-winning chef, Gabrielle

Hamilton opened Prune on New York's Lower East Side

fifteen years ago to great acclaim and lines down the block,

both of which continue today. A deeply personal and

gracious restaurant, in both menu and philosophy, Prune

uses the elements of home cooking and elevates them in

unexpected ways. The result is delicious food that satisfies

on many levels. Highly original in concept, execution, look,

and feel, the Prune cookbook is an inspired replica of the

restaurant's kitchen binders. It is written to Gabrielle's

cooks in her distinctive voice, with as much instruction,

encouragement, information, and scolding as you would find

if you actually came to work at Prune as a line cook. The

recipes have been tried, tasted, and tested dozens if not

hundreds of times. Intended for the home cook as well as

the kitchen professional, the instructions offer a range of

signals for cooks—a head's up on when you have gone too

far, things to watch out for that could trip you up,

suggestions on how to traverse certain uncomfortable parts

of the journey to ultimately help get you to the final

destination, an amazing dish. Complete with more than with

more than 250 recipes and 250 color photographs, home

cooks will find Prune's most requested recipes—Grilled

Head-on Shrimp with Anchovy Butter, Bread Heels and Pan

Drippings Salad, Tongue and Octopus with Salsa Verde and

Mimosa'd Egg, Roasted Capon on Garlic Crouton, Prune's

famous Bloody Mary (and all 10 variations). Plus, among

other items, a chapter entitled "Garbage"—smart ways to

repurpose foods that might have hit the garbage or stockpot

in other restaurant kitchens but are turned into appetizing

bites and notions at Prune. Featured here are the recipes,

approach, philosophy, evolution, and nuances that make

them distinctively Prune's. Unconventional and honest, in

both tone and content, this book is a welcome expression of

the cookbook as we know it. Praise for Prune "Fresh,

fascinating . . . entirely pleasurable . . . Since 1999, when

the chef Gabrielle Hamilton put Triscuits and canned

sardines on the first menu of her East Village bistro, Prune,

she has nonchalantly broken countless rules of the food

world. The rule that a successful restaurant must breed an

empire. The rule that chefs who happen to be women

should unconditionally support one another. The rule that

great chefs don't make great writers (with her memoir,

Blood, Bones & Butter). And now, the rule that restaurant

food has to be simplified and prettied up for home cooks in

order to produce a useful, irresistible cookbook. . . . [Prune]

is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a beautiful deep, dark magenta.)”—The New York Times “One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience.”—Publishers Weekly (starred review)
