Gertrude and Claudius are the "villains" of Hamlet: he the killer of Hamlet's father and usurper of the Danish throne; she his lusty consort, who marries Claudius before her late husband's body is cold. But in this imaginative "prequel" to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background of fond intentions and family dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince. "I hoped to keep the texture light," Updike said of this novel, "to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy."

Among the most enduring poetry of all time, William Shakespeare's

154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Othello Castrovilli Giuseppe

Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full descriptions of each character.

Macbeth Saddleback Educational Publishing

Passion, romance, drama, humor, and tragedy intertwine in this compulsively readable Hamlet retelling, from the perspective of a strong-willed, modern-day Ophelia. Meet Ophelia, high school senior, daughter of the Danish king's most trusted adviser, and longtime girlfriend of Prince Hamlet of Denmark. She lives a glamorous life and has a royal social circle, and her beautiful face is splashed across magazines and television screens. But it comes with a price--her life is ruled not only by Hamlet's fame and his overbearing royal family but also by the paparazzi who hound them wherever they go. After the sudden and suspicious death of his father, the king, the devastatingly handsome Hamlet spirals dangerously toward madness, and Ophelia finds herself torn, with no one to turn to. All Ophelia wants is to live a normal life. But when you date a prince, you have to play your part. Ophelia rides out this crazy roller coaster life, and lives to tell her story in live television interviews.

Hamlet Bermond Press

Othello, the Moor of Venice is a tragedy by William Shakespeare believed to have been written in approximately 1603, and based on the Italian short story 'Un Capitano Moro' ('A Moorish Captain') by Cinthio, a disciple of Boccaccio,

first published in 1565. The work revolves around four central characters: Othello, a Moorish general in the Venetian army; his wife Desdemona; his lieutenant, Cassio; and his trusted ensign Iago. Because of its varied themes - racism, love, jealousy, and betrayal - Othello is widely felt to remain relevant to the present day and is often performed in professional and community theatres alike. The play has also been the basis for numerous operatic, film, and literary adaptations. [Iago] Out of my scattering, and unsure observance; It were not for your quiet, nor your good, Nor for my manhood, honesty, or wisdom, To let you know my thoughts. Oth. What dost thou meane?

This textbook offers an introductory overview of eight hotly-debated topics in second language acquisition research. It offers a glimpse of how SLA researchers have tried to answer common questions about second language acquisition rather than being a comprehensive introduction to SLA research. Each chapter comprises an introductory discussion of the issues involved and suggestions for further reading and study. The reader is asked to consider the issues based on their own experiences, thus allowing them to compare their own intuitions and experiences with established research findings and gain an understanding of methodology. The topics are treated independently so that they can be read in any order that interests the reader. The topics in question are:

- how different languages connect in the mind;
- whether there is a best age for learning a second language;
- the importance of grammar in acquiring and using a second language;
- how the words of a second language are acquired;
- how people learn to write in a second language;
- how attitude and motivation help in learning a second language;
- the usefulness of second language acquisition research for language teaching;
- the goals of language teaching.

King Lear Castrovilli Giuseppe

This book takes a new approach to interwar Prague by addressing religion as an integral part of the city's cultural history. Berglund views Prague's cultural history in the broader context of religious change and secularization in 20th-century Europe. Based on detailed knowledge of sources, the monograph explores the interdisciplinary linkages between politics, architecture and theology in the building of symbolism and a "new mythology" of the first Czechoslovak republic (1918-1938). Berglund's text provides an important service for understanding both Czech history as well as current Czech political debate. The author's method can be characterized as culture history, able to connect several disciplines, emphasizing common topic (religion, politics, symbolics). Modern Czech elites, superficially characterized as "atheistic", appears in a new light to be deeply religious, a transition from more traditional, (mostly) Catholic religiosity, to a concept of a new, modern, ethical religion. The study incorporates biographical research, focusing on three principal characters: Tomáš Garrigue Masaryk, Czechoslovakia's first president; his daughter Alice Garrigue Masaryková, founding director of the Czechoslovak Red Cross; and Jože Plečnik, the Slovenian architect who directed the renovations of Prague Castle.

As You Like it Pembroke Publishers Limited

1819 was the annus mirabilis for many British Romantic writers, and the annus terribilis for demonstrators protesting the state of parliamentary representation. In 1819 Keats wrote what many consider his greatest poetry. This was the year of Shelley's Prometheus Unbound, The Cenci, and Ode to the West Wind. Wordsworth published his most widely reviewed work, Peter Bell, and the craze for Walter Scott's historical novels reached its zenith. Many of these writings explicitly engaged with the politics of representation in 1819, especially the great movement for reform that was fueled

by threats of mass emigration to America and came to a head that August with an unprovoked attack on unarmed men, women, and children in St. Peter's Field, Manchester, a massacre that journalists dubbed "Peterloo." But the year of Peterloo in British history is notable for more than just the volume, value, and topicality of its literature. Much of the writing from 1819, argues James Chandler, was acutely aware not only of its place in history, but also of its place as history - a realization of a literary "spirit of the age" that resonates strongly with the current "return to history" in literary studies.

Chandler explores the ties between Romantic and contemporary historicism, such as the shared tendency to seize a single dated event as both important on its own and as a "case" testing general principles. To animate these issues, Chandler offers a series of cases of his own built around key texts from 1819.

Hamlet Cambridge University Press

Is King Lear an autonomous text, or a rewrite of the earlier and anonymous play King Leir? Should we refer to Shakespeare's original quarto when discussing the play, the revised folio text, or the popular composite version, stitched together by Alexander Pope in 1725? What of its stage variations? When turning from page to stage, the critical view on King Lear is skewed by the fact that for almost half of the four hundred years the play has been performed, audiences preferred Naham Tate's optimistic adaptation, in which Lear and Cordelia live happily ever after. When discussing King Lear, the question of what comprises 'the play' is both complex and fragmentary. These issues of identity and authenticity across time and across mediums are outlined, debated, and considered critically by the contributors to this volume. Using a variety of approaches, from postcolonialism and New Historicism to psychoanalysis and gender studies, the leading international contributors to King Lear: New Critical Essays offer major new interpretations on the conception and writing, editing, and cultural productions of King Lear. This book is an up-to-date and comprehensive anthology of textual scholarship, performance research, and critical writing on one of Shakespeare's most important and perplexing tragedies. Contributors Include: R.A. Foakes, Richard Knowles, Tom Clayton, Cynthia Clegg, Edward L. Rocklin, Christy Desmet, Paul Cantor, Robert V. Young, Stanley Stewart and Jean R. Brink

Hamlet Simon and Schuster

Examines the art of effective persuasion to argue that its secret lies in a key moment before messages are delivered, sharing strategies for how to psychologically prepare one's listeners to render them most receptive.

Julius Caesar Multilingual Matters

Between 1933 and 1945, more than three million children between the ages of seven and sixteen were taken from their homes and sent to Hitler Youth paramilitary camps to be toughened up and taught how to be obedient Germans. Separated from their families, these children often endured abuse by the adults in charge. This mass phenomenon that affected a whole generation of Germans remains almost undocumented. In this memoir, Jost Hermand, a German cultural critic and historian who spent much of his youth in five different camps, writes about his experiences during this period. Hermand also gives background into the camp's creation and development.

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be

rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

#### A Hitler Youth in Poland Walch Publishing

*Introduction to Criminal Justice: Practice and Process, Second Edition* uses a proven problem-based learning approach to enhance the critical thinking and analytic skills of students. Best-selling authors Kenneth J. Peak and Pamela M. Everett explain the importance of criminal justice and show students how key trends, emerging issues, historical background, and practical lessons apply to their future careers. Students learn core topics—policing, corrections, criminal behavior, criminal law, and courts—as well as special topics such as ethics, juvenile justice, terrorism, and the changing war on drugs, while learning how to solve problems they are likely to face as criminal justice practitioners. Packed with new examples and drawing on the authors' years of experience in the field, this student-friendly book offers a palpable, real-world flavor typically missing in other texts for the course.

#### Sonnets Akasha Classics

Students get wrapped up in a tale of betrayal and revenge, leading up to a tragic end. Our easy-to-use resource makes the study of this play more enjoyable for struggling readers. Become familiar with Shakespearean language by understanding the meaning of key vocabulary words. Determine whether statements about Hamlet's interaction with the ghost are true or false. Explain what conclusion Polonius made from Ophelia's report, and what course of action he decided on. Describe what Hamlet sees that convinces him of his uncle's guilt. Students write their own interpretation of Hamlet's famous "To Be or Not To Be" soliloquy. Track Hamlet's state of mind as he descends into madness. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Hamlet is the classic tale of a king who is murdered by his brother and assumes the crown, and his son who seeks revenge. Hamlet is visited by the ghost of his father, who informs him that his brother Claudius murdered him and married his wife. He tells Hamlet that he must get his revenge by murdering his uncle and taking the throne. Hamlet's strange behavior begins to raise questions from those around him. Not yet convinced of the ghost's claims, Hamlet attempts to prove Claudius' guilt with a play that re-enacts the King's death. Satisfied, Hamlet attempts to receive his revenge. Claudius realizes Hamlet knows the truth and attempts to have him killed. The story climaxes with a tragic end.

#### Sentence.: A Period-to-Period Guide to Building Better Readers and Writers SAGE Publications

Sometimes it's better to start small, with a sentence. Every English teacher has experienced it: students staring at an empty page, seemingly paralyzed by a writing assignment. When this happens, it may be time to back off from the Big Idea approach to the art of reading and writing, and zero in on a single sentence. In this book, a master teacher offers a complete guide to a sentence-level approach. Helping students recognize the techniques that make sentences great is the first step, and there are plenty of examples here from YA novels, TV shows, and song lyrics as well as the novels, poetry, and nonfiction pieces that form the canon of middle and high school reading lists. Lesson plans include activities to introduce the featured element of style; questions to guide students in their analysis; and writing prompts and activities to spark students' interest and creativity. With this Little-to-Big strategy, students move quickly from analysis of the words between two periods to the universe of ideas of which that sentence is a part. They may even be eager to write their own

#### Introduction to Criminal Justice Cambridge University Press

What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, Julius Caesar is action packed theater at its finest.
