Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at

romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy

served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Rosencrantz and Guildenstern president; his daughter Alice, a social worker trained in the settlement houses of Chicago who was founding director of the Czechoslovak Red Cross and her father's trusted confidante; and the architect, Jože Plečnik of Slovenia, who integrated reverence for Classical architecture into distinctly modern designs. Their shared vision saw the Castle not simply as a government building or historic landmark but as the sacred center of the new republic, even the new Europe—a place that would embody a different kind of democratic politics, rooted in the spiritual and the moral. With a biographer's attention to detail, historian Bruce Berglund presents lively and intimate portraits of these three figures. At the same time, he also places them in the context of politics and culture in interwar Prague and the broader history of religion and secularization in modern Europe. Gracefully written and grounded in a wide array of sources, *Castle and Cathedral in Modern Prague* is an original and accessible study of how people at the center of Europe, in the early decades of the twentieth century, struggled with questions of morality.

faith, loyalty, and skepticism. Hamlet Gibbs Smith How does Kate Chopin create a mood in just a few sentences? How does Shakespeare make a character say one thing and mean another? Help your students understand how expert writers control voice and use the power of language. Students will develop an understanding of the elements comprising an author ' s unique voice—diction, detail, figurative language, imagery, syntax, and tone—and develop the skills needed to express their own unique voices. Voice

Lessons provides 35 short passages from complex fiction and nonfiction. Each sharply focused example targets a specific element of voice. Also included are 65 lessons based on longer pieces of text. These lessons integrate the elements of voice and help students understand how they work together. Teachers can use Voice Lessons successfully with any high school curriculum. The short-passage lessons present the elements of voice in manageable exercises that function well as class openers or mini-lessons. Activities in each

lesson serve as writing prompts for students to apply what they have learned from specific passages. Lessons on the longer text provide additional models and practice. These lessons also work together within each genre (essay, short story, speech, poem, and drama) and serve well as mini-units to teach voice and literary analysis and to help students develop a personal voice. Notes after each section provide background and discussion suggestions for teachers. **A Midsummer-night's Dream SparkNotes**

Learn Shakespeare fast! This is the first in a line of high-quality, next generation Shakespeare study guides featuring - A reading of the play on two audio CDs - High-impact graphics - Beautifully illustrated scene summaries - Dramatic maps of the action Created for university and high school students, this ground-breaking guidebook was featured in the Aug. issue of Publishers Weekly.

Hamlet Gower Publishing, Ltd. Students get wrapped up in a tale of betrayal and revenge, leading up to a tragic end. Our easy-to-use resource makes the study of

this play more enjoyable for struggling readers. Become familiar with Shakespearean language by understanding the meaning of key vocabulary words. Determine whether statements about Hamlet's interaction with the ghost are true or false. Explain what conclusion Polonius made from Ophelia's report, and what course of action he decided on. Describe what Hamlet sees that convinces him of his uncle's guilt. Students write their own interpretation of Hamlet's famous "To Be or Not To Be" soliloquy. Track Hamlet's state of mind as he descends into madness. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word

search, comprehension quiz and answer key are also included. About the Novel: Hamlet is the classic tale of a king who is murdered by his brother and assumes the crown, and his son who seeks revenge. Hamlet is visited by the ghost of his father, who informs him that his brother Claudius murdered him and married his wife. He tells Hamlet that he must get his revenge by murdering his uncle and taking the throne. Hamlet's strange behavior begins to raise questions from those around him. Not yet convinced of the ghost's claims, Hamlet attempts to prove Claudius' guilt with a play that re-enacts the King's death. Satisfied, Hamlet attempts to receive his

revenge. Claudius realizes Hamlet knows the truth and attempts to have him killed. The story climaxes with a tragic end.

Acclaimed as a modern dramatic masterpiece, *Rosencrantz & Guildenstern are Dead* is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this

Shakespearean Laurel and Hardy finally get a chance to

take the lead role, but do so in a world where echoes of *Waiting for Godot* resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when *Rosencrantz and Guildenstern Are Dead* opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and

playwright in a poll of London Theater critics, and in its printed form it was chosen one of the “ Notable Books of 1967 ” by the American Library Association. Hope Is the Thing with Feathers HarperCollins Ignatius Critical Editions (ICE) Study Guides are constructed to aid the reader of ICE classics to achieve a level of critical and literary appreciation befitting the works themselves. They give introductions and summaries, followed up with in-depth considerations of

key critical moments and themes, plus lists of points to ponder while reading. Finally, they include questions to test the students' knowledge of the text and ability to go from that knowledge to wider or higher conclusions about the works and their relation to reality. Ideally suited for students themselves and as a guide for teachers, the ICE Study Guides serve as a complement to the treasures of critical appreciation already included in ICE titles.

The Third Witch Pembroke Publishers Limited
Ulysses by James Joyce complete and unabridged. James Joyces astonishing masterpiece, Ulysses, tells of the diverse events which befall Leopold Bloom and Stephen Dedalus in Dublin on 16 June 1904, during which Blooms voluptuous wife, Molly, commits adultery. Initially deemed obscene in England and the USA, this richly-allusive novel, revolutionary in its Modernistic experimentalism, was hailed as a work of genius by W. B. Yeats, T. S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, Ulysses offers

the reader a life-changing experience.

On the Duty of Civil Disobedience Bermond Press
Gertrude and Claudius are the “villains” of Hamlet: he the killer of Hamlet’s father and usurper of the Danish throne; she his lusty consort, who marries Claudius before her late husband’s body is cold. But in this imaginative “prequel” to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background of fond intentions and family

dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince. “I hoped to keep the texture light,” Updike said of this novel, “to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy.”

This textbook offers an introductory overview of eight hotly-debated topics in second language acquisition research. It offers a glimpse of how SLA researchers have tried to answer common questions about second language acquisition rather than being a comprehensive introduction to SLA research. Each chapter comprises an introductory discussion of the

issues involved and suggestions for further reading and study. The reader is asked to consider the issues based on their own experiences, thus allowing them to compare their own intuitions and experiences with established research findings and gain an understanding of methodology. The topics are treated independently so that they can be read in any order that interests the reader. The topics in question are:

- how different languages connect in the mind;
- whether there is a best age for learning a second language;
- the importance of grammar in acquiring and using a second language;
- how the words of a second language are acquired;
-

how people learn to write in a second language;

- how attitude and motivation help in learning a second language;
- the usefulness of second language acquisition research for language teaching;
- the goals of language teaching.

Elisa Allen is tending her
chrysanthemums. Strong, with a
handsome face she skilfully and
proudly cultivates the best in the
valley. Tonight, her husband is
taking her to town. While she
works, a squeak of heels and a
plod of hoofs bring a curious
vehicle, curiously drawn: a
tradesman looking for directions
and a job. He is met with curt
replies and a hardened resistance.
Then he notices her
chrysanthemums. With his

characteristic insight and evocative
language, John Steinbeck creates a
short story of a brief but striking
encounter. Set in Salinas Valley,
where he grew up, it dissects the
myriad complexities of humanity,
society and hidden longings.
As You Like it Simon and
Schuster
Rebecca Reisert's mesmerizing
first novel re-imagines *Macbeth*,
Shakespeare's classic tragedy of
power and madness, through the
eyes of a mysterious young
woman on a dangerous quest for
vengeance. For the girl called
Gilly, life in the wilds of Birnam
Wood is little more than a
desperate struggle for survival.
Seven long years have passed
since she was first taken in and

sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have

made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a

long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.
