We count up from one to ten as baby gets out of the bath, gets dressed, has a meal, and heads outside with mom to play. Then we count down again from ten to one as baby notices flowers and birds, splashes in puddles, plays with puppies, and gets dirty enough . . . to need another bath. The illustrations are bright and busy and filled with things to look at and count. And each spread has a number line on the side with the number of things to be counted on that page highlighted to help youngsters count up to ten and back down again to one.
