Ideological Discourse Analysis - Teun A. van Dijk

Discourse analysis melds linguistics and sociology by taking into account the social and cultural context that language is used. It can be used by businesses, academic researchers, or the government—any person or organization that wants to better understand an aspect of communication. What Discourse Analysis Does

The Handbook of Discourse Analysis (Blackwell Handbooks in ... Abstract. This paper discusses some principles of critical discourse analysis, such as the explicit sociopolitical stance of discourse analysts, and a focus on dominance relations by elite groups and institutions as they are being enacted, legitimated or otherwise reproduced by text and talk. One of the crucial elements of this analysis of the relations between power and discourse is the patterns of access to (public) discourse for different social groups.
