About ...

Handbook of the Economics of International
Migration ...

A truly international undertaking, this Handbook
reviews the many historical, philosophical,
analytical and normative roots to the discipline
and covers the key contemporary topics of
research and debate today.

Handbook of International Economics:

Volume 3 (Handbooks ...

This Handbook adopts a traditional
definition of the subject, and focuses
primarily on the explanation of international
transactions in goods, services, and assets, and
on the main domestic effects of those
transactions. The first volume deals with the
"real side" of international economics.

International Economics,
The new volumes of the Handbook of the
Economics of International Migration are a
unique source in the field of international
migration, including detailed analyses of a wide
range of issues from the fundamentals of
migration theory to current pressing issues as well
as emerging new topics in the field. These
volumes will be a valuable source of reference not
only for experienced scholars but also for
students at bachelors, masters, and doctoral level
studies in economics, demography ...
