Graphology in readings The letter " V " belongs to the middle zone of letters, and can highlight areas of social skills of the writer, his or her emotions and daily rituals. For starters, if the letter is very well formed, with just enough pressure and size, it means the writer is friendly, with a great ability to communicate with others.

Hello. My name is Andrew Hunt, and I have

been practising Graphonomy (the science of handwriting analysis) since 1981 when I purchased the book 'The Hidden Language Of Your Handwriting' by James Greene and David Lewis. When you use our free handwriting analysis service, you will be using a unique piece of software which I originally created in 1992, and adapted in 1996 for use on the Web.
