Donatari had been a gallant young officer with a bright and promising future serving as the Captain of Guard for the Emperor of the Territory of Corinia in what was a peaceful, productive, unobtrusive little country. He, his family, his countrymen, and his country itself find they are nothing more than pawns caught in the middle of the never ending expansion of the Roman Empire. Donatari must learn to survive as a gladiator in the harsh arena of the Province of Gamorah ruled by a Roman Governor and his ruthless, sadistic wife, Krystynia. Many lives are affected by her voracious lust for blood, power, and depraved sexual gratification. The book follows the lives of the citizens and slaves who serve to satisfy the Governess' insatiable appetites, the most compelling of which are the deadly games of the arena.

Unstoppable is a word defined as "difficult or impossible to preclude or stop." As a human quality, it is something that we associate with people such as sports superstars, those who do whatever it takes to inspire others and lead teams to the greatest of victories. Sometimes, an idea or person can become unstoppable. Unstoppable, like Charles Lindbergh crossing the Atlantic in a solo flight when no one had thought it was possible, or track star Roger Bannister breaking the four-minute mile barrier. Not everyone can be an explorer or a great athlete, but anyone can be unstoppable in their chosen endeavors in life. If you are willing to possess an unwavering determination to succeed and a consistent willingness to learn and evolve, you can become unstoppable and triumph too. This book is about a personal struggle, one in which the author awoke from a coma after a

terrible accident and faced a life of permanent paralysis. A long battle of driven determination resulted in Yanni Raz regaining his health and becoming a self-made millionaire after migrating from his native Israel to the United States. Through careers as a musician, a Starbucks barista, a salesman, a real estate whiz, a professional poker player and a hard money lender, Yanni learned reliable principles and the skills necessary for success. Unstoppable covers many topics including controlling your life, making the best decisions, creating new opportunities, properly assessing signals, expertly negotiating, and succeeding by storytelling across the media landscape. You'll learn about integrity in business, asset diversification, and many other life tips that thousands of people learn from Yanni on a daily basis. It is time to become fearless and lead a powerful life. With Yanni's new book Unstoppable, you can do just that.

"Reyner Banham's special skill was to take  
objects that we otherwise might take for  
granted and to open our eyes and minds to  
their visual and cultural associates. Unlike  
many historians he had an 'eye' and this came  
through in his writings. He was also a

they were in the past."—Sir Norman Foster,

Britain is abandoning its cities and sprawling over  
green fields. Crime, congestion and inequality are  
getting worse. Is there an alternative?After two years'  
work for the Urban Task Force, architect Richard  
Rogers and Professor Anne Power set out the  
problems of cities and propose radical solutions.  
Suburban sprawl, over-use of energy, environmental  
damage, depleted inner cities and marginalised  
communities will force us to waste less and live more  
compactly. We need cities for a small country. This  
book follows the celebrated *Cities for a Small Planet*,  
weaving together architectural and social perspectives.  
Future generations will inherit our cities and land: we  
must make them work.
