Cut through the busyness and anxieties of daily life to discover the simple happiness of living in the present moment, as taught by a world-renowned Zen monk In this book, Thich Nhat Hanh—Zen monk, author, and meditation master—distills the essence of Buddhist thought and practice, emphasizing the power of mindfulness to transform our lives. But true mindfulness, Hanh explains, is not an escape. It is being in the present moment, totally alive and free. Based on a retreat that Thich Nhat Hanh led for Westerners, *You Are Here* offers a range of effective practices for cultivating mindfulness and staying in the present moment—including awareness of breathing and walking, deep listening, and skillful speech. These teachings will empower you to witness the wonder of life and transform your suffering, both within and outside you, into compassion, tenderness, and peace. As Thich Nhat Hanh declares, “ the energy of mindfulness is the energy of the Buddha, and it can be produced by anybody. ” It is as simple as breathing in and breathing out.

The Five Mindfulness Trainings (also referred to as "Precepts")—not to kill, steal, commit adultery, lie, or take intoxicants—are the basic statement of ethics and morality in Buddhism. Zen Master and peace activist Thich Nhat Hanh argues eloquently for their applicability in our daily lives and on a global scale. Nhat Hanh discusses the value and meaning of each precept, offering insights into the role that it could play in our changing society. Thich Nhat Hanh calls the trainings a "diet for a mindful society." With this book he offers a Buddhist contribution to the current thinking on how we can come together to define secular, moral guidelines that

will allow us to explore and sustain a sane, compassionate, and healthy way of living. The Five Mindfulness Trainings offer a path to restoring meaning and value in our world, whether called virtues, ethics, moral conduct, or precepts they are guidelines for living without bringing harm to others.

We can't heal with our minds alone. Thinking can be something productive and creative, but without integrating body and mind, much of our thinking is useless and unproductive. In *Peace of Mind*, Zen master Thich Nhat Hanh reminds us that integrating body and mind is the only way to be fully alive in each moment, without getting lost in our thoughts while walking, cooking, driving, and going about our everyday lives. Only by cultivating a mindful body and an embodied mind can we be fully alive. Bringing together ancient wisdom and contemporary thinking, Thich Nhat Hanh says it's like hardware and software—if you don't have both, you can't do anything. *Peace of Mind* provides a foundation for beginning mindfulness practices and understanding the principles of mind/body awareness. By learning how our physical body and mind are inseparable in creating our own perceptions and experiences we can begin to trust and nourish our ability to create well-being.

"Power is good for one thing only: to increase our happiness and the happiness of others. Being peaceful and happy is the most important thing in our lives and yet most of the time we suffer, we run after our cravings, we look to the past or the future for our happiness." Turning our conventional understanding of power on its head, world-renowned Zen master, spiritual leader, and national bestselling author Thich Nhat Hanh reveals how true power comes from within. What we seek, we already have. Whether we want it or not, power remains one of the central issues in all of our lives. Every day, each of us exercises power in many ways, and our every act subtly affects the world we live in. This struggle for control and authority permeates every aspect of our private and public lives, preventing us from attaining true happiness. The me-first mentality in our culture seeps unnoticed into our decisions and choices. Our bottom-line approach to getting ahead may be most visible in the business world, but the stress, fear, and anxiety it causes are being felt by people in all walks of life. With colorful anecdotes, precise language, and concrete practices, Thich Nhat Hanh illustrates how the current understanding of power leads us on a never-ending search for external markers like job title or salary. *The Art of Power* boldly challenges our assumptions and teaches each of us how to access the true power that is within our grasp.

*Happy Teachers Change the World* is the first official, authoritative manual of the Thich Nhat Hanh/Plum Village approach to mindfulness in education. Spanning the whole range of schools and grade levels, from preschool through higher education, these techniques are grounded in the everyday world of schools, colleges, and universities. Beginning firmly with teachers and all those working with students, including administrators, counselors, and other personnel, the Plum Village approach stresses that educators must first establish their own mindfulness practice since everything they do in the classroom will be based on that foundation. The book includes easy-to-follow, step-by-step techniques perfected by educators to teach themselves and to apply to their work with students and colleagues, along with inspirational stories of the ways in which teachers have made mindfulness practice alive and relevant for themselves and their

students across the school and out into the community. The instructions in *Happy Teachers Change the World* are offered as basic practices taught by Thich Nhat Hanh, followed by guidance from educators using these practices in their classrooms, with ample in-class interpretations, activities, tips, and instructions. Woven throughout are stories from members of the Plum Village community around the world who are applying these teachings in their own lives and educational contexts.

A renowned Zen master and Nobel Peace Prize nominee introduces a Buddhist approach to practicing authentic love in our everyday lives. In this eye-opening guide, Zen monk Thich Nhat Hanh offers timeless insight into the nature of real love. With simplicity, warmth, and directness, he explores the four key aspects of love as described in the Buddhist tradition: lovingkindness, compassion, joy, and freedom—explaining how to experience them in our day-to-day lives. He also emphasizes that in order to love in a real way, we must first learn how to be fully present in our lives, and he offers simple techniques from the Buddhist tradition that anyone can use to establish the conditions of love. Thich Nhat Hanh, a Vietnamese Zen Buddhist monk, is an internationally known author, poet, scholar, and peace activist who was nominated for the Nobel Peace Prize by Martin Luther King Jr.

This selection from Thich Nhat Hanh's bestselling *The Art of Power* illuminates the core Buddhist concept of mindfulness for the Western reader. In *The Art of Mindfulness*, one of the most revered Buddhist teachers in the world, Thich Nhat Hanh delivers a life-changing practice to overcome our overdriven mind, to let go of preoccupations and multitasking and focus solely on the task at hand. By devoting 100% of our attention 100% of the time on what we are doing in the moment, we can alleviate suffering, fear, and anxiety. With the energy of mindfulness and the capacity of looking deeply, we can find the insights to transform and heal any situation.

*Discovering the Magic of the Present Moment* Harper Collins  
*Transformation and Healing* presents one of the Buddha's most fundamental teachings and the foundation of all mindfulness practice. The *Sutra on the Four Establishments of Mindfulness* has been studied, practiced, and handed down with special care from generation to generation for 2,500 years. This sutra teaches us how to deal with anger and jealousy, to nurture the best qualities in our children, spouses, and friends, and to greet death with compassion and equanimity.

*Essential Mindfulness Practices* (16pt Large Print Edition) Happiness  
"This is a book of wise and wonderful teachings, a breath of fresh air for the heart. It opens the doors to an awakened life." —Jack Kornfield, author of *After the Ecstasy, the Laundry* "Thich Nhat Hanh is one of the greatest teachers of our time. He reaches from the heights of insight down to the deepest places of the absolutely ordinary." —Robert Thurman, Professor of Indo-Tibetan Buddhist Studies, Columbia University  
*The Path of Emancipation* transcribes Thich Nhat Hanh's first twenty-one day retreat in North America in 1998, when more than four hundred practitioners from around the world joined him to experience mindfulness. This book deliberately preserves the tone and style of a retreat, including soundings of the bell, meditation breaks, and the question-and-answer sessions. This not only provides a genuine feeling of a retreat for those who have not had the chance to participate in one, but it also preserves this wonderful practice time for those who have attended. In *The Path of Emancipation*, Thich Nhat Hanh translates the Buddhist tradition into everyday life and makes it relevant and transforming for us all. Studying in-depth the *Discourse on the Full Awareness of Breathing*, he teaches how mindfulness can help us reduce stress, and live simply, confidently, and happily while dwelling in the present moment. When Thich Nhat Hanh discovered this discourse, he said, "I felt I was the happiest person in the world."

*How to Love* is the third title in Parallax's *Mindfulness Essentials* Series of how-to titles by Zen Master Thich Nhat Hanh, introducing beginners and reminding seasoned practitioners of the essentials of mindfulness practice. This time Thich Nhat Hanh brings his signature clarity, compassion, and humor to the thorny question of how to love. He distills one of our strongest emotions down to four essentials: you can only love another when you feel true love for yourself; love is understanding; understanding brings compassion; deep listening and loving speech are key ways of showing our love. Pocket-sized, with original two color illustrations by Jason DeAntonis, *How to Love* shows that when we feel closer to our loved ones, we are also more connected to the world as a whole. With sections on Love vs. Need, Being in Love, Reverence, Intimacy, Children and Family, Reconciling with Parents, and more, *How to Love* includes meditations you can do alone or with your partner to go deep inside and expand your own capacity to love. Scientific studies indicate that meditation contributes tremendously to well-being, general health, and longevity. How

to Love is a unique gift for those who want a comprehensive yet simple guide to understanding the many different kinds of love, along with meditative practices that can expand the understanding of and capacity for love, appropriate for those practicing in any spiritual tradition, whether seasoned practitioners or new to meditation.

*The Art of Transforming Suffering* Parallax Press

Zen teacher Glen Schneider has developed a series of simple practices to help us cultivate happiness and fulfillment in the course of our daily lives. Happiness is far more than a positive feeling that comes and goes, happiness is wired into the physiology of our brains.

It is a skill we can all develop through cultivating mindfulness and concentration. In *Ten Breaths to Happiness* Schneider presents a series of simple practices and guided meditations that allow you to literally rewire your neural pathways to experience deeper and more lasting fulfillment and peace. Studies in neuroscience show that it takes about thirty seconds to build a new neural-pathway. Schneider takes these findings and combines them with mindfulness practices based on the teachings of Zen teacher Thich Nhat Hanh. For example, he encourages us to take ten conscious breaths whenever we encounter something beautiful or have a meaningful experience. Consistently exercising this simple practice creates an opportunity for the brain to move from its default reaction of protection to one of appreciation and spaciousness. In ten short chapters, Schneider discusses the nature of happiness and its role in our evolution. He shows how our brains can make us happy or create suffering, and he introduces simple, proven techniques that will shape our brains over time to experience more joy and be more fulfilled in everyday life. Written for adults new to meditation as well as those with previous meditation experience, *Ten Breaths to Happiness* is a practical, highly accessible book that not only brings us up-to-date with the latest developments in neuroscience but offers simple exercises that can be done anywhere, any time, to help 'rewire our brains' and maximize our potential.

"In language totally fresh and jargon-free, Sakyong Mipham Rinpoche distills the wisdom of many centuries. Simple as it is profound, his book bears reading many times."—Peter Conradi, author of *Iris Murdoch: A Life and Going Buddhist* Strengthening, calming, and stabilizing the mind is the essential first step in accomplishing nearly any goal. Growing up American with a Tibetan twist, Sakyong Mipham talks to Westerners as no one can: in idiomatic English with stories and wisdom from American culture and the great Buddhist teachers. *Turning the Mind Into an Ally* makes it possible for anyone to achieve peace and clarity in their lives.

*How to Fight* Parallax Press

The secret to happiness is to acknowledge and transform suffering, not to run away from it. In *No Mud, No Lotus*, Thich Nhat Hanh offers practices and inspiration transforming suffering and finding true joy. Thich Nhat Hanh acknowledges that because suffering can feel so bad, we try to run away from it or cover it up by consuming. We find something to eat or turn on the television. But unless we're able to face our suffering, we can't be present and available to life, and happiness will continue to elude us. Nhat Hanh shares how the practices of stopping, mindful breathing, and deep concentration can generate the energy of mindfulness within our daily lives. With

that energy, we can embrace pain and calm it down, instantly bringing a measure of freedom and a clearer mind. *No Mud, No Lotus* introduces ways to be in touch with suffering without being overwhelmed by it. "When we know how to suffer," Nhat Hanh says, "we suffer much, much less." With his signature clarity and sense of joy, Thich Nhat Hanh helps us recognize the wonders inside us and around us that we tend to take for granted and teaches us the art of happiness.

*Happy Teachers Change the World* Shambhala Publications  
Zen Master Thich Nhat Hanh's key teaching is that through mindfulness, we can learn to live in the present moment and develop a sense of peace. Accessible to those new to Buddhist teachings as well as more experienced practitioners, *Happiness* is the only book that collects all practices adapted and developed by Thich Nhat Hanh in his more than 60 years as a Buddhist monk and teacher. With sections on Daily Practice, Relationships, Physical Practices, Mindful Eating, and Practicing with Children, *Happiness* is a comprehensive guide to living our daily lives with full awareness, whether we are working, eating, parenting, driving, walking, or simply sitting and breathing. Thich Nhat Hanh says, "Enjoy your practice with a relaxed and gentle attitude, with an open mind and receptive heart.... Joy and happiness are available to you in the here and now."

*Touching Life in its Fullness* Penguin

Formulated by Thich Nhat Hanh during the Vietnam War, the *Fourteen Mindfulness Trainings* of the Order of Interbeing are a penetrating expression of traditional Buddhist morality coming to terms with contemporary issues. In this new third edition, Thich Nhat Hanh introduces the term "mindfulness trainings" for "precepts." Thich Nhat Hanh is a Zen master, scholar, and peacemaker. He was nominated by Dr. Martin Luther King, Jr., for the Nobel Peace Prize and is author of over thirty books, including *Being Peace*, *Living Buddha Living Christ*, and *Teachings on Love*. He is the founder of Plum Village, a meditation community in France that leads retreats on "the art of mindful living."
