From New York Times and USA Today Bestseller, Mimi Jean Pamfiloff DAKOTA DANE IS ABOUT TO TELL A LIE SHE'LL WISH SHE HADN'T. Because her lie is dangerous, sexy, and just showed up on campus, angry as hell and looking for her... Ugly duckling Dakota Dane has a new boyfriend. He's male-model gorgeous, built to perfection, wealthy, and smart. He is also a lie. As in, 100% fabricated. Does it matter that Dakota has a perfectly good reason for making him up? Not really. Not when Dakota's made-up boyfriend shows up in the flesh. So is she crazy? All signs point to maybe. But the walking, talking enigma with the deadly vibe isn't about to give her any answers or let her out of his sight. And with college just around the corner, Dakota fears her dreams of a bright future have just collided with a dark rabbit hole... Fate. Such a simple word, isn't it? But there's nothing simple about it. Not for me, anyway. Not when it comes to this man. I have no idea who the hell he is, where he came from, or what he wants, but his dangerous vibe tells me I should run away and never look back. But I can't. Because as much as he scares the hell out of me, his sinfully dark gaze and what it does to me is ten times more powerful. And I know I want something I shouldn't. I should want my sanity. I should want college and parties and this dream I've waited for my whole life. I should want to keep that promise I made myself back in high school to make something of my life. But now I'm looking at him, his powerful body, his predatory gaze, his sinfully shaped lips, and I know I'll never be able to walk away. So I simply keep lying to myself about there being a reason for all this. I simply tell myself it must be fate.

AN AMERICAN BOOKSELLERS ASSOCIATION ADULT DEBUT HONOR BOOK WINNER OF THE AUDIE AWARD FOR BEST FEMALE NARRATOR LOS ANGELES TIMES BESTSELLER A sparkling talent makes her fiction debut with this infectious novel that combines the charming pluck of Eloise, the poignant psychological quirks of The Curious Incident of the Dog in the Night-Time and the page-turning spirit of Where 'd You Go, Bernadette. Reclusive literary legend M. M. "Mimi" Banning has been holed up in her

Bel Air mansion for years. But after falling prey to a Bernie Madoff-style ponzi scheme, she 's flat broke. Now Mimi must write a new book for the first time in decades, and to ensure the timely delivery of her manuscript, her New York publisher sends an assistant to monitor her progress. The prickly Mimi reluctantly complies—with a few stipulations: No Ivy-Leaguers or English majors. Must drive, cook, tidy. Computer whiz. Good with kids. Quiet, discreet, sane. When Alice Whitley arrives at the Banning mansion, she 's put to work right away—as a full-time companion to Frank, the writer 's eccentric nine-year-old, a boy with the wit of Noel Coward, the wardrobe of a 1930s movie star, and very little in common with his fellow fourth-graders. As she slowly gets to know Frank, Alice becomes consumed with finding out who Frank 's father is, how his gorgeous " piano teacher and itinerant male role model " Xander fits into the Banning family equation—and whether Mimi will ever finish that book. Full of heart and countless " only-in-Hollywood " moments, Be Frank with Me is a captivating and unconventional story of an unusual mother and son, and the intrepid young woman who finds herself irresistibly pulled into their unforgettable world.
