hottest defensive end in the

NFL college draft. This is the

moment I've been waiting for: fame, women, and glory. Just one problem: I'm suddenly in a bad slump. And it started the moment I got dumped by Elle, the nerdy goddess with thick glasses, a smokin' hot body, and a genius IQ. So what gives? We only dated for a few weeks, and it's not like I've missed her. (Much.)

Regardless, all the facts point to one conclusion. Elle is my lucky nerd-charm. So call me superstitious, but I have to get her back before I lose everything. Even if she's the last girl I should want and she

Even my, eh-hem, man part is pretty special—a recent discovery. “ I can't believe it can do that! ” No one knows

exactly how this happened, but now I have enemies. Some want to reverse engineer me, and others want me dead. From New York Times

Bestseller Mimi Jean Pamfiloff comes *BRUTUS*, a Paranormal Romantic Comedy that will surely cause evil vampires to kidnap the author. Can the World's Toughest Immortal Warrior Win the Heart of the World's Toughest Immortal Woman? Brutus is not your average immortal warrior. He leads the gods' army, he's tough as nails, and his mind is so powerful, he no longer speaks to communicate with his men. Some call him telepathic; he just calls it being a badass. But despite

---

the many bloody battles and hard-won victories, this is one mission he's not so sure about. There is a plague sweeping the immortal world. Gods, vampires, incubi—no one is safe, except for those with mates, and sadly, there just aren't enough women to go around. To keep the gods' army intact, ready to protect the human world, Brutus must convince a group of ancient female warriors, located deep in the Amazon jungle, to return home with him, and...well...go on dates with his men. But when the toughest, meanest, man-hating, sexiest woman of the group catches his eye, all he can think about is conquering her heart. WARNING: This book contains a smokin' hot immortal warrior looking for his forever love, a randy invisible unicorn, and bad, bad, such bad language. Okay, and some sex. Fine, yes! Lots of sex! And a kitten, a bit of violence, a man who loves knitting, mannibalism, unruly deities, Mayan priests who babysit animals, a naked goddess who wears a bee bikini, leather pants (for men), a very randy ghost who's desperate for her HEA, anecdotes about evil mermen, a BIG plot twist even the author didn't see coming, and a ton of romancy kind of stuff.

question. But when the trail brings Michael to hellishly sunny Phoenix, Arizona, his biggest problem soon becomes a cute little librarian he can't seem to stay away from. He's never met a bigger danger magnet! Even her book cart has it out for her. And is that the drug cartel following her around, too? "Dear God, woman! What have you gotten yourself into?" Things go from bad to worse when local vampires won't play nice. Can this four-hundred-year-old vampire keep his

librarian safe and himself out of hot water? Can he bring his maker's killer to justice? Yesterday, he would've said yes. But yesterday, he didn't have a strange connection with a librarian. Yesterday, people weren't trying to kill her. **BOOK 2: HOW MUCH LONGER CAN HE KEEP HIS SECRET AND HIS FAVORITE HUMAN SAFE?** Michael Vanderhorst has always been a lone wolf. Or lone vampire? Whatever. Point is, this ancient gentleman vampire is obsessed. She's quirky, a

horrible dresser, and the cutest librarian he's ever seen. The question is, why her? In four hundred years, no one has ever captured his attention like this. He must find out, which is why he just signed on as her new assistant. The problem is, she has no idea vampires exist or that she's just broken one of their laws. As the leader of his territory, Michael has been ordered by his council to turn her or kill her. "Over my dead body!" To overturn the ruling, Michael needs the council on his side, and right

now they're asking him to hunt down and execute five hundred vampires no one can seem to locate. Unfortunately, his assassin days are long over, and he's not so sure he can go back to killing. But with Miriam's life on the line and their unusual bond growing stronger each day, will he dust off the old sword or give her the bite that will make her his forever? **BOOK 3: FALLING IN LOVE WITH A LIBRARIAN JUST CAN'T GET MORE AWKWARD...** Michael

---

Vanderhorst is not your usual vampire. For starters, he works in a library, is in love with Miriam, his hot nerdy human boss who has no clue what he is, and he looks like a college student. In reality, Michael is an ancient deadly vampire, an ex-assassin, and is currently the de facto king of his kind ever since their ruling party disappeared. To where? He doesn't know, but if he wants his life back, he'll have to find out. (Mystery!) Especially because a civil war is brewing, and being king

makes his librarian a mark for his enemies. She is, after all, his biggest weakness. With a global uprising about to explode, Michael must give her the protection of his army. Only one problem: She must become his queen first. But every attempt he makes to tell her the truth is met with extreme hostility. "Vampires aren't real. That's crazy talk, Michael!" Clearly, the topic frightens her. With time running out and her life on the line, Michael is left with one option: Marry her. Without

her knowing. Can he pull it off? And what will happen when the fight comes to their door?
