This is the bourgeois life of a Hallmark Channel dream. She goes on bad dates with new friends, spends weeks in Los Angeles taking meetings with “tv executives slash amateur astrologers” while being a “cheese fry-eating slightly damp Midwest person,” “with neck pain and no cartilage in [her] knees,” who still hides past due bills under her pillow. The essays in this collection draw on the raw, hilarious particulars of Irby's new life. Wow, No Thank You. is Irby at her most unflinching, riotous, and relatable.
