Happyface Stephen Emond

Stephen Emond's debut Happyface is unlike many books I've read recently. Told through a

diary format, to include email messages, pages of sketches, comics, and instant messages, this is the story of Happyface. But who is Happyface?

## **Happyface by Stephen Emond - Goodreads**

Stephen Emond has no super human powers. He has no summer homes in exotic locales, and has yet to win even one single solitary popularity contest. But he has a way with words and does alright with a pencil. He created the comic book series Emo Boy, collected in two volumes, and is the critically...

## **Books | Stephen Emond**

Poignantly real journal entries, e-mails and chat sessions allow readers to see into Happyface's world, and many will identify with his yearning for supposed normalcy. Though the catalyst for his metamorphosis is so understated that it's possible some may miss it altogether and be a bit puzzled later in the story, this is a minor detail in an ...

## **Book Review: Happyface by Stephen Emond | Mboten**

Hello, my name is Stephen Emond, or just Steve if you prefer. Not much can be said about me that isn't included in

---

this excerpt from the HAPPYFACE page on amazon.com: About the Author Steve Emond does not have any superhuman powers, neat tricks, or famous relatives, but he's a pretty cool guy who can draw. He is the creator of Emo Boy, which ran for 12 issues and two collections, and the comic ...

### **Happyface by Stephen Emond - Books-A-Million**

Happyface is a fiction novel that's formatted like you're reading someone's journal. The narrator – known only by the nickname “Happyface” – writes about how his life was turned upside down after a family tragedy. When Happyface switched schools he pasted on a grin and became, well, Happyface.

*Happyface by Stephen Emond, Paperback / Barnes & Noble®*

This word represents "Happyface" by Stephen Emond because throughout the book the main character, (nicknamed Happyface), uses a figurative mask to hide his own true self from others. I really enjoyed this book because a lot of the characters had simple but deep personality traits I could connect to people in my own world. My favorite character ...

Happyface by Stephen Emond 2,576 ratings, 3.73 average

rating, 415 reviews Happyface Quotes Showing 1-3 of 3 “I swear, with Chloe Bear once again as my witness...

### **HAPPYFACE by Stephen Emond | Kirkus Reviews**

Happyface by Stephen Emond "Today is the day the world changed, and that is all I will say because I don't ever want to think of it again." Happyface reminds me a lot of one of my all-time favourite picture books, Michael Rosen's Sad Book .

### **Happyface – by Stephen Emond | The Art of Language**

The book Happyface by Stephen Emond was a very good/interesting book because of all the changes our main character was going through. I suggest this book for 7th-9th grade because the characters are around that age range. Our main character (unknown name) is not very popular at school and doesn't really have an friends. Then his parents get ...

### **Happyface Stephen Emond**

Meet Happyface. He's attempting to reinvent himself in the wake of some pretty traumatic events. His family used to be "typical": mom, dad, two sons, but a series of events and bad choices caused the ideal to fall apart at the seams. Will that stop Happyface? No! Formerly a shy, artistic computer-game and comic geek,...

### **Stephen Emond**

Happyface | Cute girls dig him. He has his own fan club But he wasn't always this awesome. He used to be Mr. Comic Book, a resident of Lonelyland. So when he swtiched schools, he slapped

on a grin and went from big nerd to big shot.

### **Happyface / Rated Reads**

Happyface's former best friend comes back in an interesting plot twist. Happyface's characters are overwhelming, as in a good way. Happyface first is a control freak, but he is really kind and not really aware. Chloe is really cool and really good with anything and loves Happyface, but she isn't admitting it. Everett is really annoying ...

### **Lands of Pleasure: Happyface by Stephen Emond**

Stephen Emond is the creator of Emo Boy, which ran for twelve issues and two collections with Slave Labor Graphics. He also won a national contest for his comic strip series Steverino, which ran for several years in his local Connecticut newspaper. His first novel, Happyface, was published in March 2010.
