Cute girls dig him. He has
his own fan club But he

wasn't always this awesome. He used to be Mr. Comic Book, a resident of Lonelyland. So when he switched schools, he slapped on a grin and went from big nerd to big shot. Meet Happyface. This is his journal. This unique combination of text and fully integrated art follows the journey of a dorky, quiet, artsy kid as he reinvents himself after moving to a new town, where he's nicknamed Happyface. Peek in his journal and see the world

through his hilariously self-deprecating eyes as he learns to shed his comic-book-loving, computer-game playing ways. Join him as he makes new friends, tries to hide from his messy past, forgives the people who have hurt him most, and ultimately learns to face the world with a genuine smile.

The Rules of Survival
Little, Brown Books for Young Readers
Meanwhile is not your ordinary comic book. Instead of one linear story, Meanwhile splits off

into many different adventures. At times you will have a choice of which branch you would like to follow. Your choice may lead to success ... or disaster.

Meanwhile ... SLG Publishing
A boy takes charge to help his beloved salamanders. Evan can hardly wait for Big Night. During the first warm night rain of spring—Big Night—spotted salamanders by the hundreds crawl out of the woods and down to a natural pool across the road. There they will breed and lay their eggs. How can Evan and his parents help these delicate creatures cross the road in safety?

Evan has the solution. . . . Sarah Marwil Lamstein delivers a moving story of genuine caring. In this Smithsonian's Notable Book for Children, Carol Benioff's colorful and animated illustrations transport the reader into Evan's world, where a child can do small yet wonderful things to help other creatures.

Lucas and Jenna are chosen to attend a camp that promises to turn delinquents into high achieving students, but when they arrive, they realize that the camp is not what it seems.

The Seven Songs of Merlin Macmillan

The groundbreaking

story by New York Times best-selling author Ned Vizzini that inspired the Tony-nominated Broadway musical--now adapted in a graphic novel by #1 New York Times best-selling author David Levithan. Jeremy Heere is your average high school dork. Day after day, he stares at beautiful Christine, the girl he can never have, and dryly notes the small humiliations that come his way. Until the day he learns about the "squip." A pill-sized supercomputer that you

swallow, the squip is guaranteed to bring you whatever you most desire in life. By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from geek to the coolest guy in class. Soon he is friends with his former tormentors and has the attention of the hottest girls in school. But Jeremy discovers that there is a dark side to handing over control of your life--and it can have disastrous

consequences.	picture book,	discover, to dream

Inside Canadian

Politics Ace
Contemporary and accessible, *Inside Canadian Politics* provides a fresh perspective on the institutions and issues at the heart of our political system. This text explores key concepts and topics in Canadian politics from federalism, regionalism, Indigeneity, and diversity, to the party system, media and political

communication, and elections. Each chapter invites students to debate and discuss the effectiveness of government mechanisms in the daily lives of Canadians. This new edition has been fully updated to include the political realities of Canada today, including discussion of fakenews, the effects of social media on democracy, issues surrounding resource

development and climate change, and the renegotiation of crucial trade agreements.

Winter Town Post Hill Press
Between 1997 and 2006, countless comic strips poured out of cartoonist Stephen Emond's room in the shape of "STEVERINO!," the tale of a sad-sack hopeless romantic and his quest for that

special anyone. "STEVERINO!" was printed and sent out as a self-published 25 page book each month and eventually went on to gain praise and correspondance from syndicate editors, win national prizes, and a earned a space in local Connecticut shoreline newspapers. Read this book and see the mountains of

effort that go into shaping a series and perfecting an idea. From what works to what doesn't, from rejection letters to editor feedback and the applications of that feedback, documented here is the true evolution of a cartoonist! Emond is the author of EMO BOY and HAPPYFACE, and as those books and

STEVERINO! will show, he lays it all out in the open in his intensely personal works. Witness a decade of heart and devotion, the rise and fall of STEVERINO.

Brain Camp Little, Brown Books for Young Readers
Newbery Award-winning author Matt de la Peña's *We Were Here* is a "fast, funny, smart, and heartbreaking" novel [Booklist]. When it happened, Miguel

was sent to Juvi. The judge gave him a year in a group home—said he had to write in a journal so some counselor could try to figure out how he thinks. The judge had no idea that he actually did Miguel a favor. Ever since it happened, his mom can't even look at him in the face. Any home besides his would be a better place to live. But Miguel didn't bet on meeting Rondell or Mong or on any of what happened after they broke out. He only

thought about Mexico and getting to the border to where he could start over. Forget his mom. Forget his brother. Forget himself. Life usually doesn't work out how you think it will, though. And most of the time, running away is the quickest path right back to what you're running from. From the streets of Stockton to the beaches of Venice, all the way to the Mexican border, *We Were Here* follows a journey of self-discovery by a boy who is trying to

forgive himself in an unforgiving world.
"Fast, funny, smart, and heartbreaking...The contemporary survival adventure will keep readers hooked."-Booklist "This gripping story about underprivileged teens is a rewarding read."-VOYA "A furiously paced and gripping novel."-Publishers Weekly "A story of friendship that will appeal to teens and will engage the most reluctant readers."-Kirkus

Happyface Little,

Brown Books for Young Readers
Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics. Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure. Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her. Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window. Princess X? When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at IAMPrincessX.com. The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online.

And that means that only one person could have started this phenomenon---her best friend, Libby, who lives.

Mirror Girls

Turtleback Books

As the first volume of a multi-volume set, this short collection of essays, entitled Edifying Justice: A Wellspring of Healing, describes the changes by which the Criminal Judicial System might serve the whole scope of justice effectively. With the Criminal Judicial System as its object of change, this collection of essays explores the logic and historical precedents

behind the idea of complementing the Criminal Judicial System with a counter-balancing judicial arm. It explains why the current judicial arm, though suitable to the task of investigating crime and dispensing punishment, is hardly suitable to the task of investigating civilness and dispensing reward nor to the task of adjudicating a certain category of offenses. While intended for a general audience, this collection of essays figuratively places

readers in the role of jurists and legislators who are tasked to transform the abstract concept of a balanced, two-armed Criminal Judicial System into concrete action. Given how distant is the completion of that epic task, the essays more immediate aim is to persuade readers to value the full scope of justice and to prize the fairer half.

Edifying Justice:
