## Blow Out the Moon Little, Brown Books for Young Readers

Best friends, big fans, a mysterious webcomic, and a long-lost girl collide in this riveting novel, perfect for fans of both Cory Doctorow and Sarah Dessen, & illustrated throughout with comics. Once upon a time, two best friends created a princess together. Libby drew the pictures, May wrote the tales, and their heroine, Princess X, slayed all the dragons and scaled all the mountains their imaginations could conjure. Once upon a few years later, Libby was in the car with her mom, driving across the Ballard Bridge on a rainy night. When the car went over the side, Libby passed away, and Princess X died with her. Once upon a now: May is sixteen and lonely, wandering the streets of Seattle, when she sees a sticker slapped in a corner window. Princess X? When May looks around, she sees the Princess everywhere: Stickers. Patches. Graffiti. There's an entire underground culture, focused around a webcomic at IAmPrincessX.com. The more May explores the webcomic, the more she sees disturbing similarities between Libby's story and Princess X online. And that means that only one person could have started this phenomenon---her best friend, Libby, who lives.

Jandy Nelson's beloved, critically adored debut is now an Apple TV+ and A24 original film starring Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. "Both a profound meditation on loss and grieving and an exhilarating and very sexy romance." —NPR Adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet, seductive Toby—Bailey's boyfriend who shares Lennie's grief—and Joe, the new boy in town who bursts with life and musical genius. Each offers Lennie something she desperately needs. One boy helps her remember. The other lets her forget. And she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss, Lennie's struggle to sort her own melody out out the noise around her makes for an always honest, often uproarious, and absolutely unforgettable read.

## So, You're Crazy Too? Delacorte Press

For more than 300 years, Kensington Palace has played host to a colourful cast of kings, queens and assorted aristocratic hangers-on. A stone's throw from the bustling streets of central London, this

grand building has served as the stage for some of the most dramatic and bizarre events in the history of the royal family. It was here that the young Queen Victoria was held a virtual prisoner for eighteen years; and it was here that George II installed both his wife and his mistress, giving the latter rooms so damp that there were said to be mushrooms growing on the walls. More recently, the palace has witnessed an extraordinary series of scandals, from Princess Diana's bombshell TV interview with a journalist smuggled into the palace disguised as a salesman, to Prince Harry and Meghan Markle's shock departure – first for Frogmore Cottage, and then for America – amid rumours of a rift with William and Kate. With exclusive interviews with palace staff past and present, fascinating historical details and a fully updated postscript considering what life after Kensington holds for Harry and Meghan, Kensington Palace: An Intimate Memoir from Queen Mary to Meghan Markle offers a rare behind-the-scenes insight into one of Britain's most iconic residences.

## Anya's Ghost Little, Brown Books for Young Readers

As the first volume of a multi-volume set, this short collection of essays, entitled Edifying Justice: A Wellspring of Healing, describes the changes by which the Criminal Judicial System might serve the whole scope of justice effectively. With the Criminal Judicial System as its object of change, this collection of essays explores the logic and historical precedents behind the idea of complementing the Criminal Judicial System with a counter-balancing judicial arm. It explains why the current judicial arm, though suitable to the task of investigating crime and dispensing punishment, is hardly suitable to the task of investigating civilness and dispensing reward nor to the task of adjudicating a certain category of offenses. While intended for a general audience, this collection of essays figuratively places readers in the role of jurists and legislators who are tasked to transform the abstract concept of a balanced, two-armed Criminal Judicial System into concrete action. Given how distant is the completion of that epic task, the essays more immediate aim is to persuade readers to value the full scope of justice and to prize the fairer half.

## Walk Around with Your Head Down Bloomsbury Publishing

Shark VS. Train! WHO WILL WIN?! If you think Superman vs. Batman would be an exciting matchup, wait until you see Shark vs. Train. In this hilarious and wacky picture book, Shark and Train egg each other on for one competition after another, including burping, bowling, Ping Pong, piano playing, pie eating, and many more!

Who do YOU think will win, Shark or Train? [star] "This is a genius concept." -- Publishers Weekly, starred review [star] "Lichtenheld's snarling shark and grimacing train are definitely ready for a fight, and his scenarios gleefully play up the absurdity. The combatants' expressions are priceless when they lose. A glum train in smoky dejection, or a bewildered, crestfallen shark? It's hard to choose; both are winners." -- Kirkus, starred review

From the award-winning author of A Boy Called Bat comes a new young middle grade series in the tradition of Ramona and Clementine, starring an unforgettable girl named Harriet. There are a few things you should know about Harriet Wermer: She just finished third grade. She has a perfect cat named Matzo Ball. She doesn 't always tell the truth. She is very happy to be spending summer vacation away from home and her mom and dad and all the wonderful things she had been planning all year. Okay, maybe that last one isn 't entirely the truth. Of course, there 's nothing Harriet doesn't like about Marble Island, the small island off the coast of California where her nanu runs a cozy little bed and breakfast. And nobody doesn 't love Moneypenny, Nanu 's old basset hound. But Harriet doesn 't like the fact that Dad made this decision without even asking her. When Harriet arrives on Marble Island, however, she discovers that it's full of surprises, and even a mystery. One that seems to involve her Dad, back when he was a young boy living on Marble Island. One that Harriet is absolutely going to solve. And that's the truth.
