The Golden Gate Bridge.
The impossible bridge,
some call it. They say it
can't be built. But Robert's
father is building it. He's a
skywalker--a brave, high-
climbing ironworker. Robert
is convinced his pop has
the most important job on

the crew . . . until a
frightening event makes him
see that it takes an entire
team to accomplish the
impossible. When it was
completed in 1937, San
Francisco's Golden Gate
Bridge was hailed as an
international marvel. Eve
Bunting's riveting story
salutes the ingenuity and
courage of every person
who helped raise this
majestic American icon.
Includes an author's note
about the construction of
the Golden Gate Bridge.
