The Golden Gate Bridge. The impossible bridge,
some call it. They say it can't be built. But
Robert's father is building it. He's a
skywalker--a brave, high-climbing ironworker.
Robert is convinced his pop has the most
important job on the crew . . . until a
frightening event makes him see that it takes
an entire team to accomplish the impossible.
When it was completed in 1937, San Francisco's
Golden Gate Bridge was hailed as an
international marvel. Eve Bunting's riveting
story salutes the ingenuity and courage of
every person who helped raise this majestic
American icon. Includes an author's note about
the construction of the Golden Gate Bridge.
