## Harley-Davidson Diagnostic Trouble Codes (DTC)

Hi everyone.... I have a 2004 FB EFI. In the last 3 weeks I have noticed that the engine check light comes on every once in a while and then goes off. It initializes fine when I turn on the bike to start. It comes on at various times and I see no pattern to it. Then it will just go out again. I...

[Check Engine Light | Fix My Hog](#)

Bike has been run a little crappy lately, mostly with throttle response. The check engine light came on while out and about this weekend. Was able to pull the codes last night but having trouble finding info on the MAP and TP Sensors (that the codes refer to) to doing anything about it except get it into the shop later this month.

## 2019 Harley-Davidson® Trouble Codes, Check Engine Light

The check engine and temp lights come on after a few miles. I checked the codes and got codes P1019 and U0184. I also checked the fans come one when I test them but when needed. I changed the temp sensors in the head and radiator in the left lower fairing. The U0184 code went away but the light still comes on and I still get code P1019. Reply
