*Batman* University of Texas Press

In her fourth volume of poetry, *Twelve Moons*, Pulitzer Prize-winning Mary Oliver continues to explore the alluring, yet well-nigh inaccessible kingdoms of nature and human relationships, and man's profound, persistent desire for a joyous union with them. these vibrant, magical poems pulse with an aching awareness of nature's unaffected beauty. Her absorbing intimate vision leads us into the natural and human kingdoms we only fleetingly grasp.

Tales of horror, madness, and death, tales of fantasy and morality: these are the works of South American master storyteller Horacio Quiroga. Author of some 200 pieces of fiction that have been compared to the works of Poe, Kipling, and Jack London, Quiroga experienced a life that surpassed in morbidity and horror many of the inventions of his fevered mind. As a young man, he suffered his father's accidental death and the suicide of his beloved stepfather. As a teenager, he shot and accidentally killed one of his closest friends. Seemingly cursed in love, he lost his first wife to suicide by poison. In the end, Quiroga

---

himself downed cyanide to end his own life when he learned he was suffering from an incurable cancer. In life Quiroga was obsessed with death, a legacy of the violence he had experienced. His stories are infused with death, too, but they span a wide range of short fiction genres: jungle tale, Gothic horror story, morality tale, psychological study. Many of his stories are set in the steaming jungle of the Misiones district of northern Argentina, where he spent much of his life, but his tales possess a universality that elevates them far above the work of a regional writer. The first representative collection of his work in English, *The Decapitated Chicken and Other Stories* provides a valuable overview of the scope of Quiroga's fiction and the versatility and skill that have made him a classic Latin

American writer.

*Uncollected Poems* Dc Comics

These transcendent, lyrical essays on the West announced Gretel Ehrlich as a major American writer—“Wyoming has found its Whitman” (Annie Dillard). Poet and filmmaker Gretel Ehrlich went to Wyoming in 1975 to make the first in a series of documentaries when her partner died. Ehrlich stayed on and found she couldn't leave. *The Solace of Open Spaces* is a chronicle of her first years on “the planet of Wyoming,” a personal journey into a place, a feeling, and a way of life. Ehrlich captures both the otherworldly beauty and cruelty of the natural forces—the harsh wind, bitter cold, and swiftly changing seasons—in the remote reaches of the American West. She

---

brings depth, tenderness, and humor to her portraits of the peculiar souls who also call it home: hermits and ranchers, rodeo cowboys and schoolteachers, dreamers and realists. Together, these essays form an evocative and vibrant tribute to the life and the geography she loves. Originally written as journal entries addressed to a friend, *The Solace of Open Spaces* is raw, meditative, electrifying, and uncommonly wise. In prose “as expansive as a Wyoming vista, as charged as a bolt of prairie lightning,” Ehrlich explores the magical interplay between our interior lives and the world around us (Newsday).

*Kingdom Come #1* Verso Books

“The Pabst Residence on Grand Avenue is one of the most handsomest in the city. It is a model of what wealth, luxury and good taste can secure.”—Yenowine’s *Illustrated News*, September 1894

Little did Captain Frederick Pabst, Milwaukee’s famed beer baron, know that when he began construction of his new mansion in 1890 it would survive and thrive into the twenty-first century as a testament to America’s Gilded Age. John C. Eastberg sets the context for this architectural landmark by drawing out the intimate character of Captain Pabst, his family, and his brewing empire. As a leading figure of Milwaukee’s society, Captain Pabst and his wife, Maria, became consummate art collectors, filling their mansion with priceless treasures. After the Pabst descendants sold the house in 1908, it became the archbishop’s residence

---

and the center of the Roman Catholic Archdiocese of Milwaukee for over sixty years. When it was sold in 1975 for the second time in its history, the mansion was nearly torn down to make way for a parking lot. After a three-year crusade for its preservation, the Pabst Mansion was spared demolition and has been under active restoration ever since. This highly illustrated history includes hundreds of current and historical photographs, documenting the extraordinary history of this exceptional residence.

*The Composite Man as Comprehended in Fourteen Anatomical Impersonations* Popular Press

Relates the early excitement and glamour in the life of astronaut Charlie Duke and his wife, recapping the exciting sequences of events that made up Apollo 16 and discussing the personal problems

Masters of Impressionism Oliver-Nelson Books

Put an end to knee pain! An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand

---

when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

An Illustrated History Hatje Cantz Pub  
New York Times Bestselling Author Finally returned to print in a beautiful trade paperback edition, a haunting gothic tale that illuminates the fortunes and misfortunes of a 19th-century immigrant family of confidence artists—a story of morality, duplicity, and retribution that explores the depths of human manipulation and vulnerability “Oates . . . rarely falters throughout this epic. . . . An American tragedy.”—People “My Heart Laid Bare shows Oates at her most playful, extravagant and inventive.”—The San Francisco Chronicle The patriarch of the Licht family, Abraham has raised a brood of talented con artists, children

molded in his image, and experts in *The Game*, his calling and philosophy of life. Traveling from one small town to the next across the continent, from the Northeast to the frontier West, they skillfully swindle unsuspecting victims, playing on their greed, lust, pride, and small-mindedness. Despite their success, Abraham cannot banish a past that haunts him: the ghost of his ancestor Sarah Licht, a former con woman who met with a gruesome fate. As Abraham moves his family from town to town, involving them in more and more complex and impressive schemes, he finds himself caught between the specter of Sarah and the growing terrors of his present. As his carefully crafted lies and schemes begin to fracture and disintegrate before his eyes, Abraham discovers that the bond of family is as tenuous and treacherous as the tricks he perpetrates upon

unsuspecting strangers.

**Art of the Chopper** Createspace Independent Publishing Platform

"A celebration of last laughs and deadly crimes as written and drawn by many of the greatest writers and artists ever to grace the comic art medium! The companion volume to *The Greatest Batman Stories Ever Told!*"--Cover, page 4.

*Twelve Moons* North Light Books

A terrifying series of short poems by one of the world's leading playwrights, set to images of World War II In this singular book written during World War Two, Bertolt Brecht presents a devastating visual and lyrical attack on war under modern capitalism. He takes photographs from newspapers and popular magazines, and adds short lapidary verses to each in a unique attempt to understand the truth of war using mass media. Pictures of catastrophic bombings, propaganda portraits of leading Nazis, scenes of unbearable tragedy on the battlefield — all these images

contribute to an anthology of horror, from which Brecht's perceptions are distilled in poems that are razor-sharp, angry and direct. The result is an outstanding literary memorial to World War Two and one of the most spontaneous, revealing and moving of Brecht's works.

*A Critical Study* DC

Hidden away in an Oxford back street is a crumbling Georgian mansion, unknown to any but the few who possess a key to its unassuming front gate. Its owner is the mercurial, charismatic Mark Winters, whose rackety trust-fund upbringing has left him as troubled and unpredictable as he is wildly promiscuous. Mark gathers around him an impressionable group of students: glamorous Emmanuella, who always has a new boyfriend in tow; Franny and Simon, best friends and occasional lovers; musician Jess, whose calm exterior hides passionate depths. And James, already damaged by Oxford and looking for a group to belong to. For a time they live in a charmed world of learning and

---

parties and love affairs. But university is no grounding for adult life, and when, years later, tragedy strikes they are entirely unprepared. Universal in its themes of ambition, desire and betrayal, this spellbinding novel reflects the truth that the lessons life teaches often come too late. [My Heart Laid Bare](#) T S Denison & Company A terrifying tale of a bet made among friends involving a dead body and how things go horribly wrong.

**The Blood of the Vampire** Marvel Entertainment

UK photographer Stephen Gill has again used his surroundings as the inspiration for this beautiful and evocative series. "Hackney Flowers" evolved from Gill's longstanding interest in Hackney, East London. For this volume, Gill collected flowers, seeds, berries and objects from Hackney, then pressed them in his studio and rephotographed them

alongside his own photographs and other found ephemera, thus building up multi-layered images built from the area. Some of the base photographs were also buried in Hackney Wick, allowing the subsequent decay to imprint upon the images, stressing this collaboration with place. A parallel series also runs within this finely produced book, showing members of the Hackney public with floral details on their persons. This is a warm, poetic and visually exciting book containing images that leave an overwhelming sense of color, emotion and rhythm extracted from a single borough of London.

Mrs. Amworth By E. F. Benson The village of Maxley, where, last summer and autumn, these strange events took place, lies on a heathery and pine-clad upland of Sussex. In

---

all England you could not find a sweeter and saner situation. Should the wind blow from the south, it comes laden with the spices of the sea; to the east high downs protect it from the inclemencies of March; and from the west and north the breezes which reach it travel over miles of aromatic forest and heather. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
