Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Jackson Thorn was my best friend and worst enemy, but that didn't stop me from wanting him. From first words to high school halls, our childhood years braided a bond that wove in a direction neither of us could predict or outgrow. Forbidden became a word we ignored. It wasn't that we didn't care. It was that we cared too much. We had it all

planned out. We thought we could make it. We thought we'd been careful. But all we managed to do was prolong the inevitable. Our destruction.

Mr. Sin-I should have run the other way. Paid my tab and gone back to my room. But he was there. And he was... everything. I figured what's the harm in letting passion rule my decisions for one night? So what if he looks like the Devil in a suit. I'd be leaving in the morning. Flying home, back to my pleasant but predictable life. I'd never see him again.-Except I do. In the last place I expected. And now everything I've worked so hard for is in jeopardy. -We can't stop what we've started, but this is bigger than the two of us. -And when his past comes back to haunt him, love might not be enough to save me.

There are a few things that life doesn't prepare you for. Like what to do when a super-hot guy catches you sneaking around in his basement. Or what to do when a mysterious package shows up with tickets to a hockey game because, apparently, he's a professional athlete. Or how to handle it when you get to the game and realize he's freaking famous since half of the 20,000 people in the stands are wearing his jersey. I thought I was a well-adjusted adult, reasonably prepared for life. But one date with Jackson Wilder, a viral video, and a "I didn't know she was your mom" incident, and I'm suddenly questioning everything I thought I knew. But he's fun. And great. And I think I might be falling for him. But I don't know if he's falling for me too, or if he's as much of a player off the ice as on.

The Dare Harley Stone

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master 's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government 's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it " Terrific! "; and Michael Pollan, who cited it as a " cool kickstarter. " In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will

embrace.
