**Sara's Game: Book One Triumph Books**

By 1926, it seemed that John R. Brinkley's experimental rejuvenation cure—transplanting goat glands into aging men—had taken the nation by storm. Never mind that "Doc" Brinkley's medical credentials were shaky at best and that he prescribed medication over the airwaves via his high-power radio stations. To most in the medical field, he was a quack. But to his many patients and listeners, he was a brilliant surgeon, a savior of their lost manhood and youth. His rogue radio stations, XER and its successor XERA, eventually broadcast an antenna-shattering 1,000,000 watts and not only were a megaphone for Brinkley's lucrative quackery but also hosted an unprecedented number of then-unknown country musicians and other guests. *The Bizarre Careers of John R. Brinkley* tells the story of the infamous "Goat Gland Doctor"—a controversial medical charlatan, groundbreaking radio impresario, and prescient political campaigner—and recounts his amazing rags-to-riches-to-rags career. A master manipulator and skilled con artist, Brinkley left behind a patchwork of myths and unreliable personal accounts that many writers have merely perpetuated—until now. Alton Lee brings Brinkley's infamous legacy to the forefront, exploring how he ruthlessly exploited the sexual frustrations of aging men and the general public's antipathy toward medical doctors. Lee leaves no stone unturned in this account of a man who changed the course of American institutions forever.

**Brave Men** Total Sports

A comprehensive baseball reference offers exhaustive and up-to-date information on baseball players from the nineteenth century to the present, covering statistical leaders, lifetime records of players, team lineups, and other data.

**The Man Who Ended the World** Ernie Lindsey

A runaway train is racing toward five men who are tied to the track. Unless the train is stopped, it will inevitably kill all five men. You are standing on a footbridge looking down on the unfolding disaster. However, a fat man, a stranger, is standing next to you: if you push him off the bridge, he will topple onto the line and, although he will die, his chunky body will stop the train, saving five lives. Would you kill the fat man? The question may seem bizarre. But it's one variation of a puzzle that has baffled moral philosophers for almost half a century and that more recently has come to preoccupy neuroscientists, psychologists, and other thinkers as well. In this book, David Edmonds, coauthor of the best-selling Wittgenstein's Poker, tells the riveting story of why and how philosophers have struggled with this ethical dilemma, sometimes called the trolley problem. In the process, he provides an entertaining and informative tour through the history of moral philosophy. Most people feel it's wrong to kill the fat man. But why? After all, in taking one life you could save

five. As Edmonds shows, answering the question is far more complex—and important—than it first appears. In fact, how we answer it tells us a great deal about right and wrong.

*The Bizarre Careers of John R. Brinkley* Harlequin

Thomas Pynchon in Context guides students, scholars and other readers through the global scope and prolific imagination of Pynchon's challenging, canonical work, providing the most up-to-date and authoritative scholarly analyses of his writing. This book is divided into three parts. The first, 'Times and Places', sets out the history and geographical contexts both for the setting of Pynchon's novels and his own life. The second, 'Culture, Politics and Society', examines twenty important and recurring themes which most clearly define Pynchon's writing - ranging from ideas in philosophy and the sciences to humor and pop culture. The final part, 'Approaches and Readings', outlines and assesses ways to read and understand Pynchon. Consisting of Forty-four essays written by some of the world's leading scholars, this volume outlines the most important contexts for understanding Pynchon's writing and helps readers interpret and reference his literary work.

**SARA: The Complete Series** Ernie Lindsey

Ernie Pyle was a Pulitzer Prize-winning American journalist. This is his first hand account of life on the European front-line during World War II. Written with touching sympathy and humanism, *Brave Men* offers a poignant description of the everyday experiences of American foot soldiers; their courage, humanism and unshakeable camaraderie. A must-read war memoir.

*Business Math* JCL Publishing

They fondly remember the times when they buzzed over the homes of their Florida "families" to let them know to expect them for Sunday dinner. More than fifty years later, their stories still resonate with universal emotions: fear of failure, love of country, camaraderie, romantic love, and the pain of tragic deaths. Their stories also remind the American reader of a unique time in our history, when, poised on the brink of war, the United States reached out to help a country in distress."--BOOK JACKET.

**Would You Kill the Fat Man?** U of Minnesota Press

A post-apocalyptic thriller of the after effects in the United States after a terrifying terrorist attack using electromagnetic pulse weapons. New York Times best selling author William R. Forstchen now brings us a story which can be all too terrifyingly real...a story in which one man struggles to save his family and his small North Carolina town after America loses a war, in one second, a war that will send America back to the Dark Ages...A war based upon a weapon, an Electro Magnetic Pulse (EMP). A weapon that may already be in the hands of our enemies. Months before publication, *One Second After* has already been cited on the floor of Congress as a book all Americans should read, a book already being discussed in the corridors of the Pentagon as a truly realistic look at a weapon and its awesome power to destroy the entire United States, literally within one second. It is a weapon that the Wall

Street Journal warns could shatter America. In the tradition of *On the Beach*, *Fail Safe* and *Testament*, this book, set in a typical American town, is a dire warning of what might be our future...and our end. The John Matherson Series #1 *One Second After* #2 *One Year After* #3 *The Final Day* Other Books Pillar to the Sky 48 Hours At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Only Daughter* First Edition Design Pub.

"Why do people come to reject climate science or the safety and efficacy of vaccines, in defiance of the scientific consensus? A popular view explains bad beliefs like these as resulting from a range of biases that together ensure that human beings fall short of being genuinely rational animals. This book presents an alternative account. It argues that bad beliefs arise from genuinely rational processes. We've missed the rationality of bad beliefs because we've failed to recognize the ubiquity of the higher-order evidence that shapes beliefs, and the rationality of being guided by this evidence. The book argues that attention to higher-order evidence should lead us to rethink both how minds are best changed and the ethics of changing them: we should come to see that nudging - at least usually - changes belief (and behavior) by presenting rational agents with genuine evidence, and is therefore fully respectful of intellectual agency. We needn't rethink Enlightenment ideals of intellectual autonomy and rationality, but we should reshape them to take account of our deeply social epistemic agency"--

**One Second After** Michael O'Mara Books

First came the heart-pounding intensity of *Sara's Game*, a USA Today bestseller. Then, the breathtaking sequels, *Sara's Past* and *Sara's Fear*, continued the terrifying journey where no one was safe and evil played by its own rules. Now, Lindsey returns with a final chapter, *One More Game*, the thrilling spin-off from *The Sara Winthrop Series*. \*\*Novella-length title.\*\* Teddy Rutherford, former coworker and arch nemesis of Sara Winthrop, now turned trusted friend and multi-millionaire, has left the United States behind for the supposed safety of Moscow. His beautiful and tolerant wife, Irina, pregnant and thrilled to once again be back in her homeland, has only one word of advice: "Relax." As if anything were really ever that easy in the life of Teddy Rutherford, especially when his closest in-laws are aren't shy about their connections to the Russian mafia. When Teddy tries to help, and the delivery of a small briefcase goes terribly wrong, he may find out just how many lives he has left.

Movies Made for Television, 1964-2004: 2000-2004 Ingram

Given only weeks to live, Kenny Drummond finds a mystery worth dying to solve In this gripping psychological thriller from the creator of *Luther*, Kenny Drummond has been diagnosed with late-stage brain cancer and is writing a list—a list of all the people he has let down in one way or another. He is determined to make amends before the black smudge that keeps showing up on his scans exercises its final power over him. Working his way down the list, Kenny comes to an old schoolmate, Callie Barton, who was kind when he needed a friend. He heard she dated and eventually married Jonathan Reese, and that they live in Bath. But no matter how hard he tries, Kenny can't seem to get ahold of Callie; she's disappeared without a trace. In fact, there are rumors that Reese wasn't the kindest husband. And he sure seems like he has something to hide. Now Kenny has a ticking clock and a promise to keep, and nothing's going to stand in his way.

Memories from the Microphone Ludwig von Mises Institute

This collected edition contains all three novels in the Warchild series, over 600 pages of thrilling suspense. CAROLINE MATHERS NEVER WANTED TO BE A HERO... Under dark clouds thick with never-ending rain, and with another civil war looming on the horizon, the eastern states teeter on the brink of collapse. Those with means threaten to pillage and plunder what isn't rightfully theirs. They say history repeats itself, but perhaps the horrors of the past are also forgotten when the northern armies prepare to invade the south with one horrible result in mind. In the midst of it all...war, hunger, and despair, an unlikely leader will emerge: a fourteen-year-old army scout named Caroline Mathers, who may also be the last of a special breed called Kinders. Are they human legends or deceitful traitors? As a quarter-finalist in Amazon's Breakthrough Novel Award contest, the first book in the series, *Warchild: Pawn* is a "...coming-of-age action-adventure dominated by a young girl just coming into her powers. A fine, durable, inaugural volume brimming with imagination and sparkling, inventive characters." --Publishers Weekly *Warchild: Pawn* The world ended long before Caroline Mathers was born, but that doesn't mean life stops for the fourteen-year-old army scout for the People's Republic of Virginia. With a civil war brewing on the horizon, she slinks through the forests surrounding her encampment, monitoring the woods for nomadic bands of criminals, all while keeping a watchful eye on her dangerous northern enemies from the Democratic Alliance. Caroline's worst fears come true the day she hears the terrifying boom of distant drums beating to the war rhythm, echoing throughout their quiet valley. With some help from two unlikely allies, Caroline leads her people in a breathtaking retreat, praying they'll find salvation in their capitol city. Along the way, haunting dreams may reveal a look into her mystifying past. The first book of the Warchild trilogy series is a young adult dystopian thriller full of fast-paced action and adventure, perfect for fans of *The Hunger Games* and the *Divergent* series. \*\*\*READER NOTE : SPOILERS BELOW\*\*\* *Warchild: Judas Hope* alone can not win the war. Caroline Mathers, Forward Scout of the People's Republic of Virginia, leads her people to safety after a harrowing escape through the Appalachian Mountains. But, the security of their capitol city won't last for long...maybe even less than a night. Old friends are left behind, while inside the walls, new alliances are formed and trust betrayed. Empowered by the strength of a massive army, their northern enemies suffocate the city outside the walls, preparing to take control of what they believe is rightfully theirs: citizen slaves. With the help of her fellow Kinder, Finn, and an ill-equipped group of volunteer soldiers, Caroline must defend her city to the last breath or watch her people marched away in chains. *Warchild: Spirit* For the citizens of the People's Republic of Virginia, their last hope of freedom has faded with their spirits. The eternal rains continue to fall. Tired, hungry, and soaked to fragile bones, there's nothing left to do but march toward the only fate they have left: a life in slavery. But not if Caroline can help it. She's out of options, but giving up was never one of them. Facing overwhelming new challenges and old enemies, Caroline soon learns that even when the bullets stop flying, the war is never over.

**Critical Thinking** Purdue University Press

A fascinating look inside the inner sanctum of the Steinbrenner era Yankees No team in American sports has as storied a history as the New York Yankees, winners of 27 World Series. As the strength and conditioning coach for the Yankees for parts of three decades, Jeff Mangold was firmly embedded in building the dynasty of the 1990s and 2000s. In *Power and Pinstripes*, Mangold shares priceless stories from his 14 seasons behind the scenes in the Bronx. Mangold had a front-row seat to the daily drama of George Steinbrenner's revolving door of managers—Yogi Berra, Billy Martin, and Lou Piniella—in the 1980s. Then, when he returned to the Yankees in 1998, he joined a juggernaut of a team and was tasked with maintaining the health of a star-studded roster including the Core Four of Derek Jeter, Jorge Posada, Andy Pettitte, and Mariano Rivera. Mangold shares personal tales of finding his way with stars like Dave Winfield and Ron Guidry, motivating personalities like David Wells, and facing a thorny challenge that later became a scandal when Roger Clemens and other Yankees arrived at spring training with their own personal strength coaches in tow. Yankees fans will not want to miss this unique perspective on a the franchise during one of baseball's most exciting and controversial eras.
