The EBay Price Guide Springer

Music has been neglected by imperial historians, but this book shows that music is an essential aspect of identity formation and cross-cultural exchange. It explores the ways in which rational, moral, and aesthetic motives underlying the institutionalization of "classical" music converged and diverged in Britain and India from 1880-1940.

Musical Times and Singing-class Circular

Rarely do we come across books on musical instruments. And one covering the whole gamut of Indian Classical musical instruments is practically unheard of. This book by Dr. Suneera Kasliwal covers almost all instruments in vogue in the classical music scenerio of southern and northern India. Apart from delving deep into the history and evaluation of each of these instruments , this well

researched book deals with their structural and manufacturing details and the basic techniques of sound production. Beautifully illustrated, this book is recommended for all those who have genuine interest in Indian Classical music and instruments.
