A compilation of more than 140 folk songs, tales, poems, and stories telling the history of America and reflecting its multicultural society. Illustrated by award-winning artists.

Poetry People John Wiley & Sons

Common Core's English resources empower educators to meet the expectations of the Common Core State Standards (CCSS) for English Language Arts (ELA) and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive, coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics.

Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills Suggested texts and activities to incorporate science, art, and history into English instruction This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolioguarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Honey, I Love and Other Love Poems John Wiley & Sons

Kids deserve a better digital future. Help them create it. When it comes to raising children in a digital world, every parent feels underprepared and overwhelmed. We worry that our children will become addicted to online

games, be victims of cyberbullying, or get lost down the rabbit hole of social media. We warn them about all the things they shouldn't do online, but we don't do nearly enough to teach them the skills of digital well-being. It's time to start a new conversation. In *Digital for Good*, EdTech expert Richard Culatta argues that technology can be a powerful tool for learning, solving humanity's toughest problems, and bringing us closer together. He offers a refreshingly positive framework for preparing kids to be successful in a digital world—one that encourages them to use technology proactively and productively—by outlining five qualities every young person should develop in order to become a thriving, contributing digital citizen: Be balanced: understand when and how much tech use is healthy Stay informed: discern between true and false information Be inclusive: treat others with respect and kindness online Be engaged: use tech to strengthen family relationships and community connections Stay alert: exercise caution and create safe digital spaces for others This practical guide will help parents and children discover the path to becoming effective digital citizens, all while making our online world a better place.

The Tubman Command Bantam

Gathers fables, sermons, historical anecdotes, humorous tales, and modern raps and rhymes by Black storytellers

Perspectives on Writing Penguin

The book includes childhood memoirs of three black women—grandmother, mother, and daughter—who grew up between the 1880s and the 1950s.

Honey, I Love and Other Love Poems Houghton Mifflin Harcourt

An ALA Notable Children's Book HONEY, I LOVE and other love poems Ages 7 to 11 Love don't mean all that kissing Like on television Love Means Daddy Saying keep your mama company till I get back And me doing it Sixteen poems tell of love and the simple joys of everyday life, seen through the eyes of a child: playing with a friend, skipping rope, riding on a train--or keeping Mama company till Daddy gets back. Each of these sixteen "love poems" is spoken straight from the heart of a child. Riding on a train, listening to music, playing with a friend...each

poem elicits a new appreciation of the rich content of everyday life. And each poem is accompanied by a beautiful drawing, both portrait and panorama, that deepens the insights contained in the singing words. For the first time Eloise Greenfield and Diane and Leo Dillon have combined their rich talents to bring children a book that shows them the joys that come from seeing with a poet's eyes--the eyes of love. Notable Children's Books of 1978 (ALA) A Reading Rainbow Selection Winner, 1990 Recognition of Merit Award (George C. Stone Center for Children's Books, Claremont, CA)

Harriet Tubman Harper Collins

Describes the life of America's first Black scientist, Benjamin Banneker, who published his own almanac, helped survey the site for the nation's capital, and spoke out against slavery.

The Snowy Day Oxford University Press, USA

We were one family among the many thousands. Mama and Daddy leaving home, coming to the city, with their hopes and their courage, their dreams and their children, to make a better life. When Eloise Greenfield was four months old, her family moved from their home in Parmele, North Carolina, to Washington, D.C. Before Jan Spivey Gilchrist was born, her mother moved from Arkansas and her father moved from Mississippi. Both settled in Chicago, Illinois. Though none of them knew it at the time, they had all become part of the Great Migration. In this collection of poems and collage artwork, award winners Eloise Greenfield and Jan Spivey Gilchrist gracefully depict the experiences of families like their own, who found the courage to leave their homes behind and make new lives for themselves elsewhere.

Minty Harper Collins

Escaped slave, Civil War spy, scout, and nurse, and champion of women's suffrage, Harriet Tubman is an icon of heroism. Perhaps most famous for leading enslaved people to freedom through the Underground Railroad, Tubman was dubbed "Moses" by followers. But abolition and the close of the Civil War were far from the end of

her remarkable career. Tubman continued to fight for black civil rights, and campaign fiercely for women's suffrage, throughout her life. In this vivid, concise narrative supplemented by primary documents, Kristen T. Oertel introduces readers to Tubman's extraordinary life, from the trauma of her childhood slavery to her civil rights activism in the late nineteenth century, and in the process reveals a nation's struggle over its most central injustices.

English Language Arts, Grade 7 Module 3A Teachers College Press

This biography of Elizabeth Cady Stanton is as spirited as the women's rights pioneer herself. Who says women shouldn't speak in public? And why can't they vote? These are questions Elizabeth Cady Stanton grew up asking herself. Her father believed that girls didn't count as much as boys, and her own husband once got so embarrassed when she spoke at a convention that he left town. Luckily Lizzie wasn't one to let society stop her from fighting for equality for everyone. And though she didn't live long enough to see women get to vote, our entire country benefited from her fight for women's rights. "Fritz imparts not just a sense of Stanton's accomplishments but a picture of the greater society Stanton strove to change. Highly entertaining and enlightening." — Publishers Weekly (starred review) "This objective depiction of Stanton's life and times makes readers feel invested in her struggle." — School Library Journal (starred review) "An accessible, fascinating portrait." — The Horn Book

Under the Sunday Tree Harper Collins

Seeing her beloved grandfather making a mean face while he rehearses for one of his plays, Tamika becomes afraid that someday she will lose his love and he will make that mean face at her.

Mix a Pancake Simon and Schuster

If you loved the movie HARRIET

<https://www.focusfeatures.com/harriet/> you will love THE TUBMAN COMMAND! From the bestselling author of The Hamilton Affair, a novel based on a thrilling chapter of Civil War history and African American history, how Harriet Tubman lead a Union raid to free 750 slaves. It's May 1863. Outgeneraled and outgunned, a demoralized Union Army has pulled back with massive losses at the Battle of Chancellorsville. Fort Sumter, hated symbol of the Rebellion, taunts the American navy with its artillery and underwater mines. In Beaufort, South Carolina, one very special woman, code named Moses, is hatching a spectacular plan. Hunted by Confederates, revered by slaves, Harriet Tubman plots an expedition behind enemy lines to liberate hundreds of bondsmen and recruit them as soldiers. A bounty on her head, she has given up husband and home for the noblest cause: a nation of, by, and for the people. The

Tubman Command tells the story of Tubman at the height of her powers, when she devises the largest plantation raid of the Civil War. General David Hunter places her in charge of a team of black scouts even though skeptical of what one woman can accomplish. For her gamble to succeed, "Moses" must outwit alligators, overseers, slave catchers, sharpshooters, and even hostile Union soldiers to lead gunships up the Combahee River. Men stand in her way at every turn--though one reminds her that love shouldn't have to be the price of freedom. It's the perfect read before going to see the big new movie about Harriet Tubman, Harriet (November 2019) starring Kasi Lemmons, Cynthia Erivo, and Janelle Monae.

Honey, I Love AuthorHouse

Give your child a smart start with the revised and updated What Your Second Grader Needs to Know What will your child be expected to learn in the second grade? How can you help him or her at home? This book answers these all-important questions and more, offering the specific shared knowledge that hundreds of parents and teachers across the nation have agreed upon for American second graders. Designed for parents and teachers to enjoy with children, featuring a new Introduction, this second-grade volume of the Core Knowledge Series presents the knowledge and skills that should be at the core of a challenging second-grade education, including • Favorite poems—old and new, from "Caterpillars" to Gwendolyn Brooks's prizewinning "Rudolph Is Tired of the City" • Literature—from around the world, with African folktales, American tall tales, European fairy tales, and classic myths from ancient Greece • Learning about language—the basic building blocks of written English, all explained with a touch of humor and common sense • World and American history and geography—visit Japan, explore ancient Greece, travel the Underground Railroad with Harriet Tubman • Visual arts—with activities and full-color illustrations of masterworks by El Greco, Van Gogh, Matisse, and others • Music—basic theory, great composers, instruments, and fun-to-sing songs such as "I've Been Working on the Railroad" and "Do-Re-Mi" • Math—challenging lessons ranging from telling time to doing fractions, numbers to 100, and a first look at geometry • Science—the cycle of life and the seasons, levers and magnets, the wonder of the human body, and more, with lots of hands-on activities and stories about famous scientists

You Want Women to Vote, Lizzie Stanton? Cartwheel Books

The first books to present specific guidance for teaching the Common Core State Standards Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers, for teachers, the research-based curriculum maps in this book present a comprehensive,

coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS, yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans, and more Teachers can use the maps to plan their year and craft their own more detailed lesson plans Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

Mary McLeod Bethune John Wiley & Sons

Brothers and sisters can be dear, can be company, can bring cheer, can start arguments, can make noise, can cause tears, can break toys . . . Brothers and brothers. Sisters and sisters. Brothers and sisters. Full, half, step, old and young, close in age and far apart. The bond between all siblings is powerful and special. Celebrate the love of brothers and sisters everywhere with award-winning author Eloise Greenfield in this poignant collection of poems for and about families, illustrated by renowned artist Jan Spivey Gilchrist in pen and ink and vibrant watercolor.

Talk About a Family Harper Collins

A collection of traditional and contemporary poems covering a wide range of topics focusing on the African-American experience.

The Great Migration Harvard Business Press

Honey, I Love by the Coretta Scott King Award-winning team Eloise Greenfield and Jan Spivey Gilchrist is now in paperback! To one young narrator, it's the simple things that mean the most, like sharing laughter with a friend, taking family rides in the country, and kissing her mama's arm. This paperback edition of the classic poem by Eloise Greenfield with illustrations by Jan Spivey Gilchrist is sure to delight a new generation of readers.

Harper Collins

Genny's parents are fighting ... again. Her little sister is hiding in the bathroom. Still, Genny is hopeful. Tonight is the night her big brother Larry comes home from the army. Genny is confident that Larry will say exactly the right thing to make the family happy and loving again -- the way they used to be. But when Larry's return doesn't produce the miracle she had counted on, Genny is angry. It takes a sympathetic friend to help her understand that change

isn't necessarily bad -- and that families can still love each other, no matter what happens.

What Your Second Grader Needs to Know (Revised and Updated) Little, Brown Books for Young Readers

An eleven volume set about American history that attempts to make history fun for young readers.
