Owen, Kiel, and Bethany confront secrets, stolen memories, and some very familiar faces in the second book in the New York Times bestselling series, *Story Thieves*—which was called a “fast-paced, action-packed tale” by *School Library Journal*—from the author of the *Half Upon a Time* trilogy. Owen Conners’s whole life changed the day he found out his classmate Bethany was half-fictional, and could take him into any book in the library. Which story would they jump into next? Another fantasy, like the *Kiel Gnomfoot*, *Magic Thief* books? Maybe something with superheroes? Owen’s up for anything except mysteries—those just have too many hidden clues, twists that make no sense, and an ending you never see coming. Then Owen wakes up in a real-life mystery with a memory that’s been erased and too many questions. How did *Kiel Gnomfoot*

lose all of his magic? Where is Bethany? And who’s the annoying guy wearing the question mark mask and Sherlock Holmes hat, taunting Owen and Kiel that Bethany is in grave danger? Bethany is trapped in a hidden room that’s slowly filling with water, and she can’t escape until her friends find her. But is she imprisoned by more than just chains and a locked door? What’s she hiding from Owen and Kiel? Maybe some mysteries just shouldn’t be solved... Please note: The black bars in the first nine chapters are intended.

The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the

nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature. *Harry Potter and the Chamber of Secrets* by J.K. Rowling Puffin Shot down on a mission, 19-year-old pilot Henry is alone in a treacherous land. Desperate to get back to his family and the girl he loves, he is forced to rely on the cunning of the French Resistance.
