This boxed set of The Titan Series, military romance and suspense, contains books 1-5: Winter's Heat, Garrison's Creed, Westin's

Chase, Gambled, & Chased. WINTER'S HEAT After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. She'd rather take her chances without the ruggedly handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned

---

baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without. **GARRISON'S CREED** Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a snipe's rifle, he has questions she can't answer. Why was she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his

heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. **WESTIN'S CHASE** Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for helping

---

Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love. GAMBLED Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a world of guns and kidnappings? Grayson Ford and Emma Kinglsey—close since they were kids, opposites in every way. He's the stuff high school crushes are made of, Mister Popular, and captain of every team. She's artsy, cute, and not in his league, though fully aware of Summerland's I Dream of Dating Grayson Ford support group. I can't say no. The girl's had my heart since before I knew it went missing. He hides a life of hell. His father hates him, his mother's gone. Emma is his only savior, yet she doesn't know her power over him. She's the only girl he wants, the only one he could ever tell—though he won't. I'm stronger, bigger, more of a man than he'll ever be, but because I ruined his life, I've taken his crap, his

attacks, the vulgar nature of his existence. Until she discovers Gray's embarrassment, his humiliation. Emma fights for him, for a chance. Theirs is a Cinderella story that she believes impossible. But as the layers peel back, it's just a guy who needs a girl in order to keep breathing. My mind is already doodling Mrs. Grayson Ford in imaginary notebooks. He has no clue where my head is at... But, given that I didn't see what just happened coming, maybe I have no clue where his head is at either. Only for Him is the first of four books in the Only series.

Running away was an easy escape until Brock shows up on her doorstep offering a trip to paradise and a promise to fix their marriage. Seven is an enigma. A motorcycle club princess. The daughter of a notorious gangster. The best friend of

the deputy mayor. A coffee shop owner. The single mom of two young, adopted children. She's colorful, in every way possible—from her attitude to her piercings and bright pink hair—and she's a woman on a mission with the power to help broker a clean break between a powerful motorcycle club and a South American drug cartel. But not all players are ready for the game to change, including the ones she can't see like the CIA. Jax Michaelson has a bad attitude and a good shot. The former Navy SEAL has been on Titan's problem list for running his mouth since the day he showed up for work, but he does a hell of a job, and they'd never let him go. Call him cocky, that's fine, because then you'd have to admit he's the best at anything and everything—except diplomacy. When Titan is forced into the seedy drug world filled with cartel glitz and Harley-riding MCs, Seven and her family become an unexpected bargaining chip right after she and Jax find a way to stand each other—in bed. Will friends become lovers? Or are they too far gone to be

opposites that attract? Is Jax nothing but a bad boy who leaves her hoping for a military hero when the burden of living as Mayhem royalty backfires and her children disappear.

## Hart Attack Kodansha Comics

The #1 New York Times bestselling author returns to the characters in *Firefly Lane* in her next blockbuster novel, *Fly Away*. Once, a long time ago, I walked down a night-darkened road called *Firefly Lane*, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief.

Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each other another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and

illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.
