WINTER'S HEAT After putting her life on the line to protect classified intelligence, military psychologist Mia Kensington is on a cross-country road trip from hell with an intrusive save-the-day hero. handsome, cold-blooded operative who boasts an alpha complex and too many guns. Colby Winters, an elite member of The Titan Group, has a single objective on his black ops mission: recover a document important to national security. It was supposed to be an easy in-and-out operation. But now, by any means necessary becomes a survival mantra when he faces off with a stunning woman he can't leave behind. When Titan's safe houses are compromised, Colby stashes Mia at his home, exposing his secret--he's the adoptive father of an orphaned baby girl. Too soon, danger arrives and Mia lands in the hands of a sadistic cartel king with a taste for torture. As hours bleed into fear-drenched days, Colby races across the globe and through a firestorm of bullets to save the woman he can't live without.

GARRISON'S CREED Nicola is an injured CIA agent on the run from a failed undercover operation. Her escape plan shatters when she slams into the man who buried her a decade ago. Cash Garrison. Her first and only love. Now, sexier than her best memory and cradling a snipe's rifle, he has questions she can't answer. Why was

she alive? And armed? Cash is an elite member of a black ops organization, The Titan Group. He thought Nicola died his senior year of college and swore off love to focus on a decade of military missions. But when she shows up behind enemy lines, bleeding out and wielding a weapon, his heart and mind are unsure how to proceed. Titan and the CIA join forces to uncover a mole hidden in a network of international terrorists and homegrown mobsters, teaming Cash and Nicola again. When disaster strikes, Nicola's hidden past makes her the hunted target and Cash's best kill shot may not be enough to save them. WESTIN'S CHASE Jared Westin knows his reputation and likes it. He gets the job done. No emotion. No baggage. That's why his elite ops company, The Titan Group, is better than the best. They complete projects classified as mission impossible. And then, in walks a woman as tough as she is sexy. His counterpart in every way, should he choose to admit it. Ousted undercover ATF agent Lilly Chase only answers to "Sugar." Jared is the only man who can see past her leather-and-lipstick demeanor, and that revelation is terrifying. She was fired for

helping Titan on a questionable arrest she should've ignored, then partnered with Jared's rival on an assignment in Afghanistan. Saving Sugar isn't a normal rescue operation. It pits Titan against its rival, Jared against his nemesis. Chasing Sugar's heart isn't a simple task, either. She fights him, fights them, always ready to run. Jared must risk his life to save her--the woman whose bravado and surprising sweetness has given him the one thing he never had. Love. GAMBLED Brock Gamble's epic fall from the Titan Group labeled him a traitor, then his wife walks out the door. Can the couple survive if the only chance of redemption is a fall further into a world of guns and kidnappings? Outside of Titan Group, there are few people that Roman Hart would die for. He's a soldier, a protector, and he's haunted that one of the people he should've been able to protect didn't let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It's a plush CIA cover, but she wants more.

Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they're making it out alive is if they find peace while waging a war. former Wall Street quant sounds the alarm on Big Data and the mathematical models that threaten to rip apart our social fabric—with a new afterword “ A manual for the twenty-first-century citizen . . . relevant and urgent. ” —Financial Times

**NATIONAL BOOK AWARD LONGLIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Boston Globe • Wired • Fortune • Kirkus Reviews • The Guardian • Nature • On Point We live in the age of the algorithm. Increasingly, the decisions that affect our lives—where we go to school, whether we can get a job or a loan, how much we pay for health insurance—are being made not by humans, but by machines. In theory, this should lead to greater fairness: Everyone is judged according to the same rules. But as mathematician and data scientist Cathy O’Neil reveals, the mathematical models being used today are unregulated and uncontestable, even when they’ re wrong. Most troubling, they reinforce discrimination—propping up the lucky, punishing the downtrodden, and undermining our democracy in the process. Welcome to the dark side of Big Data.**

The #1 New York Times bestselling author returns to the characters in Firefly Lane in her

next blockbuster novel, Fly Away. Once, a long time ago, I walked down a night-darkened road called Firefly Lane, all alone, on the worst night of my life, and I found a kindred spirit. That was our beginning. More than thirty years ago. Tully and Kate. You and me against the world. Best friends forever. But stories end, don't they? You lose the people you love and you have to find a way to go on. . . . Tully Hart has always been larger than life, a woman fueled by big dreams and driven by memories of a painful past. She thinks she can overcome anything until her best friend, Kate Ryan, dies. Tully tries to fulfill her deathbed promise to Kate---to be there for Kate's children---but Tully knows nothing about family or motherhood or taking care of people. Sixteen-year-old Marah Ryan is devastated by her mother's death. Her father, Johnny, strives to hold the family together, but even with his best efforts, Marah becomes unreachable in her grief. Nothing and no one seems to matter to her . . . until she falls in love with a young man who makes her smile again and leads her into his dangerous, shadowy world. Dorothy Hart---the woman who once called herself Cloud---is at the center of Tully's tragic past. She repeatedly abandoned her daughter, Tully, as a child, but now she comes back, drawn to her daughter's side at a time when Tully is most alone. At long last, Dorothy

must face her darkest fear: Only by revealing the ugly secrets of her past can she hope to become the mother her daughter needs. A single, tragic choice and a middle-of-the-night phone call will bring these women together and set them on a poignant, powerful journey of redemption. Each has lost her way, and they will need each one another---and maybe a miracle---to transform their lives. An emotionally complex, heart-wrenching novel about love, motherhood, loss, and new beginnings, *Fly Away* reminds us that where there is life, there is hope, and where there is love, there is forgiveness. Told with her trademark powerful storytelling and illuminating prose, Kristin Hannah reveals why she is one of the most beloved writers of our day.
